Most Respected Sir,

The undersigned petitioner begs to put in this appeal against the order of the Madras Government in No 1673 L. Mis / 16-9-96, which together with its enclosures, have been submitted for your magnanimous consideration by todays book-post.

2 The petitioner placed himself in schools under the Local Fund Board of the Bellary District, Madras Presidency, on the 13. February 1871, on Rs 40, and after a series of reductions and promotions from Headmasterships to assistantships and from assistantships to Headmasterships, and after a series of unpleasant peregrinations from place to place, he had at last to be the Headmaster of the Local Fund Middle School, Narrain-deverkerri,

Most Respected Sir,

The undersigned petitioner begs to put in this appeal against the orders of the Madras Government in No 1670 d. 18-9-96, which together with the enclosures have been submitted for your magnanimous consideration by [illegible]

2. The petitioner placed himself in school under the Local Fund Board of the Bellary District, Madras Presidency on the 13th February 1871 on Rs [illegible] and after a series of reductions and promotions from headmastership to assistantship and from assistantship to headmastership, and after a series of complaints and peregrinations from place to place he had at last to be the Headmaster of the Local Fund Middle School

Narraindeverkerri, Hospet Division, Bellary, in 1883.

3. A reference to the petitioner's appeal of the 12th July last, would disclose a fact of the High Treason, after a series of minor treasons, practised against the petitioner and his last school at the said Narraindeverkerri, from which, he had again to be shifted to this late Local Fund Normal and present Government Training School as an assistant from Rs 30 to Rs. 20 in this town Bellary, through the malice and prejudice of the Officers of the Educational Department at the hands of H. Goodriche Esqr, the late Collector-President of the Local Fund Board in 1888.

4. In 1888, on the threatened degradation of the said school from a middle to a Primary Grade, the petitioner put in a telegram to the Madras Government, to be heard. In January and March 1889, he put in, in vain two

demi

Anni- Officials to the late Honorable
member, the retired H. E. Stokes Esqr, on
which, the petitioner had to be sent for
training in the Teacher's College, Saidapet,
near Madras, for a test of of his capacity
as a teacher, on the L. F. Board President's
orders, and even after his return from th
said College in January 1890, his case
had not been taken up, either by the Pre-
sident of the Local Fund or District Boar
or by the late Honorable member in
Council

5. The petitioner had been denie
such a favorable report of him by an
Inspector of Schools as is shown and
required in para 6 of his appeal of the
12th July last, these so many years. The
favorable report of him was given him in Dec
1895 in Inspector's report No. $\frac{6283}{4-12-95}$ as
stated in para 8 of the said appeal.
Hence, he put in his appeal in a series of
petitions, and the last of the said 12th July
through the President, District Board,
Bellary, to the Madras Revenue Board
was

was again returned to the petitioner with a declaration of time-bar, while the said Revenue Board itself, has said on his two petitions referred to therein as note in the appealed order of the Madras Govern-ment, that they had no jurisdiction in th matters complained of.

6. The Madras Government a entirely mistaken in their opinion that the petitioner's appeal refers to matters of reduction, which are again alleged to be affected by lapse of time, while it deals with treasons after treasons. The petitioner had been subjected to variet of inexpressible difficulties, whose magnitude increased as his peregrinations advanced. The non-interference policy of the Madras Government on behalf of the petitioner in the matter of a precocio project of the late Lord Rippon [illegible], the Gove or-General in Council & Vice-Roy of India, is deeply to be regretted.

7. The petitioner requests to be permitted to continue his remarks on the President's last order No: 863/13-8-96 as endorsed thereon.

To
George Bickle Esquire
Acting Inspector of Schools
2nd Division. Bellary.

Respected Sir,

I respectfully beg to inform your honor that my school peon had made a false complaint against me to J. Vittal Pant Garu against me under the apparent instigation or connivance of my 2nd Master & his friend, as apprehended in para 4 of my letter No 22 of 19th March last to the Vice-President L. F. Board Bellary requesting the cancelment of warning given me by the Deputy Inspector.

11

2 The Deputy Inspector had apparently intended to hold an enquiry into the complaint in question and make a

report against me to the Vice-President requesting my reduction as he did in the case of C. Venkatramiah who bears a different character as alluded to in para 4 of my letter No 22 in the preceding para.

3 The Deputy Inspector subsequently appears to have returned to me the complaint in question under the advice of his true friends, & I have presumed it to bring it into your honor's notice for favorable consideration along with my final report under preparation in continuation of my letter No 31 of 20th April to the Deputy Inspector of Schools Bellary Range, which I hear, has been submitted to your honor.

4 I am now sorry to learn that the Deputy Inspector appears to intend on the reopening of the school after this vacation, to hold an enquiry into the peon's complaint against me, of which he appears to have taken a copy. and of which he is himself the apparent cause.

5 Under the above circumstances, I respectfully beg your honor will be pleased to pass orders to the Deputy Inspector also not to hold any enquiry into the false complaint of the peon against me preferred to him and admitted by him without my explanations, but subsequently returned to me under the apparent advice of his friends.

For this act of kindness I shall ever pray for your honor's promotion and prosperity.

I beg to remain
