never be any progress and regularity in such schools.

(4) That in the North Arcot District there are about 100 Hindu Schools connected with the management of the Government whereas in the same district there are only 10 Muhammadan Schools.

(5) That in such big town as Pungam in question where there are about 500 Muhammadan houses there is not even a single Muhammadan School. The memorialists are therefore in utter want of education.

(6) That under the above circumstances the poor memorialists most respectfully and humbly beg to request that your Excellency will graciously be pleased to sanction a Board Muhammadan School in the District for the year 95-96.

For which act of justice and kindness your Excellency's humble memorialists as in duty bound

Ever pray
Your Excellency's most obedient servant
