THE CHIEF SECRETARY TO GOVERNMENT,

LOCAL AND MUNICIPAL DEPARTMENT,

Madras.

SIR,

With reference to G.O. dated 15th June last No. 1110 & M. and in continuation of this office letter of 5-9-96 Refd on No. 379 of 96 and with reference to your reminder No 1138 of 3rd Current, I have the honour to report that an estimate has been received by the Taluk Board for the construction of a road from Periyana = yakampalayam to Agrahara Samakolan. The amount of the estimate is Rs. 6900 and the Board is now considering whether the expenditure of so large a sum is advisable. In order to arrive at some conclusion inquiries are being made as to whether the inhabitants

inhabitants of the villages to be served by the road are willing to contribute anything towards its cost, as the Taluk Board considers that this is an excellent way of ascertaining whether it will be of any real value. I therefore request that some little time may be allowed to come to a decision upon the subject.

2. My fear is lest the road when constructed will not rather tend to take goods traffic away from Periana-yakampal aiyam than bring traffic to that station. There is already a good road from Agrahara Samakolam to Coimbatore and I think that Cartmen would naturally prefer coming to the headquarters of the district rather than to the nearest station when the difference is as in this case only a few miles.—

I have the honor to be
 Sir,
 Your most obedient servant.
