GODAVARI DISTRICT Narasapur
BOARD OFFICE 2- 8- 1896.

FROM Mr Rly Rao Bahadur P. Purniah Pantulu Esq
The President,
Taluk Board, Narasapur.
Godavari District.

TO The President
District Board, Godavari.

SIR,

I have the honor to state that the
Steamer Engineer reported to the District Board
Engineers that it is very difficult to
manage the steamer in these days when
the river is usually very high and violent
without the assistance of an additional
lascar, and the District Board Engineers
forwarded the report to this office for
disposal remarking that the entire manage-
ment of the steamer was given to the
President.

2. The river is at present in high
flood and it is certainly impossible
with the present crew to manage the
steamer.

3
27554/96

3. As the services of an additional hand are urgently required, I appointed Buri Ramaswami temporarily on a salary of Rs 7 in anticipation of your approval.

I have the honor to be
Your most obedient servant
(Ed) V. Venkataratnam
For President.

Refon Cur no 1593 of 96 dated 12-2-96.

The President, Taluk Board, is requested to report, at once, the period for which the services of the temporary lascar referred to by him are required as the sanction of both the Board and Government is necessary even for a temporary employment.

2. The Engineer has engaged a punt lascar on Rs 8 for watching the firewood for the use of the steamer and the landing stage and for carrying the wood to the steamer. The services of the present man who was reported to be a pariah were ordered to be dispensed with (Vide this office

office Refon Pet no 353 of 96 dated 26-7-96). But in para 3 of this office No 1578 dated 2-2-96, the President was requested to submit his proposals for the sanction of the Board and Government if a punt lascar was indispensable. The President is requested to expedite his proposals in this also along with the report called for in para 1, so that sanction may be obtained for both simultaneously.

To The President
District Board, Godavari.

SIR,

Referring to your Ref on Cur No. 1593 of 96
dated 12.8.96, I have the honor to state that
the services of the temporary lascars are
required only for 4 months from August
to November.

2. I dispensed with the services of
the periah punt lascar on the 11th instant
as instructed in your Ref on Pet no. 353
dated 26.7.96 and directed one Pinappa
a lascar working on the steamer on
No 6 to watch the punt and firewood
until further orders.

3. As the scale of establishment
already sanctioned by Government is
not before me, I am not in a position

to give any definite opinion as to the
necessity or otherwise of an additional

FROM

The President,

TO The President
District Board, Godavari.

SIR,

Referring to your Ref on Cur No. 1593
DB dated 12.8.96 and in continuation of this
office Ref on Cur No. 189
Eng dated 10.8.96, I
have the honor to state that the Lascar
on Job sanctioned by Government seems
to have been originally intended to be
the punt watcher, but it appears that
the Engineer directed him to work on
the steamer on account of the in-
sufficiency of the number of sanctioned
Lascars.

2. As submitted in my letter
above referred to, the Lascar on Job
has been ordered by me to be in charge
of the punt and also to watch the

firewood.

3. It is reported by the Steamer Engineer that the Steamer cannot be managed in the absence of an additional man. I think that the services of a fourth lascar are indispensably necessary.

4. I therefore request that the appointment of a lascar on Rs 8 may be permanently sanctioned in addition to the temporary lascar referred to in my letter Ref on Cur No. 189 dated 2. 2. 96.

5. As the services of the lascars are urgently needed, I further request that sanction for his entertainment may be accorded at an early date in anticipation of the Government approval.
