Sir,

I have the honour to submit the explanations called for in GO no. 1591 m dated 18th August 1896 reviewing the Administration report of this Municipality for 1895-96.

2. The nonadjustment of old advances (~~Rs~~ 194-2-9), most of them related to 1887-88 and subsequent years up to 1891-92, was due to the fact that some of the recipients thereof failed to render the necessary accounts with vouchers then and there, whilst in a few cases, the accounts rendered were not forthcoming. Though all possible attempts were made to adjust

adjust these minor advances, paid to Municipal employees and others, nothing could be done, owing to lapse of time, as some of them have since died and as the whereabouts of a few others who have left the service are not known and cannot be traced. The retention of these items in the accounts for a series of years, in the circumstances stated, was productive of no good, but rather tended to cause confusion. They were therefore written off the accounts with the permission of the Council as suggested by the Assistant Inspector of Local Fund Accounts during his recent audit. It is no doubt a matter for regret that such a state of things should have been allowed to exist by the then authorities and care will be taken to see that nothing of the kind recurs.

3. As regards the omission to collect the private scavenging fees in advance, I beg to state that the difficulties attending the extension of the system have been laid before Government from time to time, and as the idea

idea of advance is not generally relished by the mass of people, it was not considered desirable, when the system itself was in its infancy, to invariably insist on the collection of the fees in advance. Now that the people are beginning to appreciate its advantages, the order of Government will be steadily kept in view. Major portion of the arrears has since been collected.

The Assistant Inspector of Schools has been requested to supply the information with regard to the working of the salary grants schools and the same will be submitted on its receipt.

I have the honour to be,
Sir,

Your most obedient servant,

P. B. S. A. T. E. N.

FROM Mr. R. Dewarickam, Madurai A.C.
THE ASSISTANT INSPECTOR OF SCHOOLS,

TO Chairman,
THE INSPECTOR OF SCHOOLS,
Municipal Council, SOUTHERN CIRCLE,
Madurai.

SIR,

With reference to your letter No. $\frac{1446}{24-10-96}$

I have the honor to state that only two of the
1. Native College
2. N.M. High Schl.
3. Pethapathi High Schl.
4. Cott's L.S.
5. Feeder L.S.
five schools aided with salary grants from the
funds of the Madura Municipality during 1895-96,
were under the supervision of the Assistant Insp.
The remaining three ^{schools} being only departments of
Upper Secondary Schools were inspected by the
Inspector and remarks on their inspection have
already been communicated to you. Vide
Director's Proceedings Nos. $\frac{2150}{2-3-96}$, $\frac{4379}{13-4-96}$, $\frac{4523}{16-4-96}$

2. However the working of all the five schools
is summarized below as desired by you:-

i. Strength. - The actual aggregate number
on rolls on the 31st March last was 933
against

against 815 on the corresponding date of the previous year. The advance was shared by both the Lower Secondary and the Primary departments though the increase in the former was significant, being 591 against 496.

ii Staff.— The number of teachers was sufficient, but some of the Assistant teachers in the A.M. and the Lethapathi Schools were wanting in energy.

3. Examinations.— Eighty Candidates appeared for the Lower Secondary Examination and seventy of them passed. The results compare very favourably with those of the previous year when only 21 out of 74 came out successful. At inspection the results were said to be indifferent in the A.M. and the Lethapathi Schools and those of the remaining three Schools were fair. Greater attention should be paid to translation into English in the Scott's and Feder Lower Secondary Schools.

4. All the Schools are fairly accommodated and furnished.

Finances.— The total amount of grants paid to these Schools was Rs 3576 of which Rs 3457 was paid

paid as salary grants.

6. General.— The general condition of these schools was on the whole very fair.
