CURRENT NO. 2934 L

From D. D. Murdoch Esquire

To

Local and Municipal Department,
Madras.

SIR,
I have the honor to submit
- with a copy of the resolution passed
the Municipal Council of Chingleput, to
with a copy of the resolution of the
District Board thereon dated 16th &
1896.

2. The District Board has resolved
to transfer to the Municipal Council
the undermentioned properties with
their endowments and funds, for which
the sanction of government is solicited-

(1) Hospital at Chingleput.

approv

(ii) Two schools at Chingleput

(iii) Choultry at Chingleput

(iv) Travellers Bungalow...

(v) All the tanks and the roads with the trees thereon, within the municipal limits.

3. The Council has resolved to remove toll gates at (1) Nattam, (2) S. S. Nagar (3) Pulippettkam (4) Sadha Kelamangur, but has deferred opening of a toll gate at Veppankulam on the Southern Trunk road till April 1908, owing to the existence of a local fund on the Belar River which is only at a distance of about 10 miles. The local fund gate has been leased out for Rs 2300 for this year. To compensate the municipality for the loss which it will incur by refraining from opening a toll gate on that side, the District Board has resolved to pay $\frac{2}{3}$ of half the lease amount, which comes to Rs 766-10-8, retaining $\frac{1}{3}$ of the balance as the District

Board share. The question of abolishing the local fund gate or removing it to another site from the 1st April next will be considered later.

4. The Council has asked for a contribution of Rs 2500 towards the upkeep of the Chingleput hospital. Most of the inpatients and some of the outpatients come from outside the municipal limits. The total cost of maintaining the institution is Rs 10,000. Excluding the endowment and other receipts, the net cost amounts to Rs 7,500. As the medicines and stationery required for the hospital for the current year have already been supplied, the District Board has resolved to contribute only Rs 1,000 towards its cost for this half year. The question of fixing an annual grant for the future has been postponed for further consideration.

The sanction of government
is solicited for the payment of
the contributions referred to in
paras 3 and 4 above.

I have the honor to be,

Sir,
