 ACCOUNTANT-GENERAL

TO THE GOVERNMENT OF MADRAS,

To

THE *Chief Secretary to Government,*
Local and Municipal Department,
Fort Saint George.

SIR,

In inviting attention to Government order no. 1049
 (Local and Municipal) dated the 17th June '95, laying down
 the rules under which security is to be taken from
 Local Fund employees, I have the honor to state that
 there is at present no rule requiring information to
 be available in the audit department of the Treasury
 Deputy Collector's office, as to the securities taken from
 the District and Taluk Board and Union servants. It is
 not possible therefore for my inspecting staff, with
 the limited time at their disposal, to see whether
 the requirements of the above Government order have
 been fully complied with, nor whether all security
 deposits have been properly brought to account. In a
 recent inspection this was pointed out, but the Presid
 in his reply remarked that no such information

was required according to rule, and that the audit clerk attended to this during his tours.

If, however, Government considers that there are points which might usefully be looked to by the Local Fund inspecting staff, I would suggest the issue of orders for the maintenance of a register in the audit office, in a form which might be settled hereafter, containing information as to the securities taken from Local Fund servants throughout the District. Each Local Board and Union would maintain a similar register with regard to their own employees, and extracts therefrom would be sent to the audit office from time to time, as fresh entries were made, or old ones closed.

I have the honor to be,
Sir,

Your most obedient servant.

H. Harrison
