GOVERNMENT OF MADRAS.

OFFICE OF SANITARY ENGINEER,
Fort St. George, 16 Nov 1896

From

J. A. JONES, Esq. MEM. INST. C.E., F.R.S.E.,

SANITARY ENGINEER TO GOVERNMENT,

To

The Chairman, Municipal Council,

Coonoor.

SIR,

With reference to G.O., No. 1771 M, dated 17th. October 1896 on your remarks on the Inspection Notes of the Dy. Sanitary Commissioner, I have the honor to point out that the Dy. Sanitary Commissioner did not say that the drains were faultily constructed & the Council's remark that they were not responsible for ~~the~~ faulty construction therefore seems mis-apropos. I have consulted the Dy. Sanitary commissioner & he says that his remarks do not imply that the construction of the drains had anything to do with the cause of his complaint which was that the manhole was not kept clean & hence an overflow. It is evident that rubbish &c must be kept out of the pipe sewers & this the construction of the manhole evidently does, but because the manhole gets blocked through neglect, that does not warrant a remark as to faulty construction. Where open drains join closed drains there must be always an accumulation of rubbish, if it is to be kept out of the closed pipe the only method of keeping this clean is by manual labor as suggested by the Dy. Sanitary Commissioner.

enclosure Letter No 3279 of 1896

I have the honor to be,

Sir,

Your most obedient servant,

(Sd) J.A. Jones

Sanitary Engineer to Government.

No. 3279

GOVERNMENT OF MADRAS.

OFFICE OF SANITARY ENGINEER,

Fort St. George, 16 Nov 1896

Local & Municipal Dept.
3/03/96

From

J. A. JONES, Esq. MEM. INST. C.E., F.R.S.E.,

SANITARY ENGINEER TO GOVERNMENT,

To

The Secretary to Government,

Local & Municipal Department.

SIR,

With reference to G.O., No. 1771 M, dated 17th. October 1896, I have the honor to state that the drains in question were constructed under my supervision. I herewith enclose for your information copy of a letter I have addressed to the Chairman, Municipal Council, Coonoor on the matter.

I have the honor to be

Sir,

Your most obedient servant,

J.A. Jones

Sanitary Engineer to Government.
