The peti states as follows:-
 The peti. was compounded in the
 L.D. Dispensary at Calicut for 12 years from the year 1882. During
 this period he received testimonials of his
 character (enclosed) from the many med-
 -cal officers who were in charge of the
 dispensary. From February 1886 Mr.
 R.W. Salankha, Civil Apothecary was
 in charge of the hospital for 7 years. The
 officer misappropriated much of the
 -pendly by selling bottles and boxes and
 other materials received for the hospi-
 -tal and appropriating the proceeds to him-
 -self. It was only once or twice that he
 remitted small sums to the Govt. Treasury
 as proceeds of these sales. But nothing
 was remitted for 7 years from 1886 and in
 1894. Neither the District Surgeon, nor the
 Collector, nor the other officers visiting the
 hospital took notice of these facts. In 1894
 the peti submitted a report to the D.
 Surgeon complaining against the apothecary
 for fear that he may be thought to have
 had a hand in the irregularities prac-
 -tised by his master. In reply to these
 reports the D. Surgeon asked the apothecary
 to inform the peti. that he would be dismissed
 from office if he sent such reports against
 his master anymore. Ever since
