To

The Secretary to Government,

Local and Municipal Department,

Madras.

SIR,

I have the honor to submit a draft Notification in respect of 0.13 acres of land required by the Namakkal Taluk Board for a site for a school house at Valapurnad on the Kallimalais, and to request that it may be approved and published in the Fort Saint George Gazette. The Taluk Board has sanctioned the cost of the acquisition in its Proceedings dated 16th November 1894. It is reported that the land has been already taken up and built on, under the impression that it was Government land. The owners are

are willing to part with the land, but demand, a compensation of Rs 20, which they say was offered them when the Local Fund overseer took measurements of the land.

2 - The settling officer will be instructed to guard interest to the owners from the date the land was taken up with reference to section 34 of the Act. I regret the irregularity of entering upon the land before its requisition; the Taluk Board President says he cannot now say who is responsible. The overseer has since left the District.

I have the honor to be
Sir
Your most obedient servant
C. M. M.
Settling collector
