The President, District Board,

Sir,

In submitting herewith a copy of the Taluk Board's resolution No 96 dated 26.9.96, sanctioning a further contribution of Rs 50 for lighting charges of the Hariur Union, I have the honor to report as follows:—

Hariur was constituted a union in the year 1895-96. In the previous years the sanitary arrangements of Hariur were being managed by a private

private sanitary association, the charge being met from contribution from private individuals supplemented by a corresponding monthly contribution from the Taluk Board.

The association had already some lamp posts and was incurring a fair expenditure under lighting charges. During 95-96 the Taluk Board contributed Rs 392 as it was the first year Harur was constituted a union. When proposals were sent for the current official year the Taluk Board provided Rs 100 to this union for lighting charges. The Government struck off this item considering the item unnecessary.

As soon as the sanctioned budget was

was received by the Chairman of the union he found that the union could not be lighted during dark nights for want of provision under this item and made an application for contribution of Rs 200 from Taluk funds chiefly for meeting lighting charges. The Taluk Board sanctioned then a contribution of Rs 50. The Chairman of the union again placed the subject before the Panchayat who transferred Rs 50 provided under union road to this item and sought the sanction of the Taluk Board, who first sanctioned the transfer. The Taluk Board, subsequently saw that the transfer of union funds to lighting charge was irregular, and therefore the resolution of the Taluk Board No 54 dated 14th July 96 was cancelled at the special meeting held for the purpose on the 26th September 96. In cancelling the transfer the

Taluk

Taluk Board made a fresh contribution of Rs 50 from Taluk fund balance with reference to the actual expenditure of Rs 40 incurred in April, May, June and July 96. and the previous year's charges of Rs 99 for lighting of the union. The Chairman does not propose to purchase any new lamps but to continue to light only the lamps lighted in 95-96.

I request you therefore to be so good as to obtain the sanction of the Government for the contribution as a special case.

The letters of the Chairman are submitted herewith for information.

I have &c.
