Sir,

I have the honor to forward herewith an extract from the proceedings of the Municipal Council Calicut passed at its meeting held on the 3rd instant approving of the suggestion of the District Medical and Sanitary Officer Malabar to appoint 3 Compounders on Rs 9 each in the place of the present staff of 2 Compounders on Rs 15 and Rs 12 respectively and to request that you will be so good as to obtain the sanction of Government for the revision of the Establishment.

The revision does not at present entail any additional cost and it was sanctioned by the Council subject to the approval of Government on the recommendation of the District Medical and Sanitary Officer who reported that the work in the Hospital had increased considerably and that the

the existing staff was not able to
cope with it.

The usual statement for the
revision of the Establishment is submitted
herewith.
