To,

His Excellency,

SIR ARTHUR HAVELOCK,

GOVERNOR OF FORT ST. GEORGE.

May it ... use your Excellency,

We the most distressed and aggrieved inhabitants of Cannanore, respectfully beg leave to submit this humble memorial to your Excellency in the sanguine hope that it would meet with your Excellency's benign consideration.

We submitted a petition describing all our grievances, especially praying for the abolition of assessments on houses, and reduction of land tax from 7½ to 5 p. c., to His Excellency Lord Wenlock when His Lordship came hither on a tour, but we are extremely sorry that though we were personally informed that our prayers would be c... ...d favorably nothing has yet been done to afford us relief. We are now encouraged by the statement we happened to peruse in the Fort St. George Gazette concerning your Excellency's arrival here on the 3rd October 1896, to approach your Excellency with fresh hopes that your Excellency will be pleased to take our prayers into consideration *viz.*, the discontinuance of house assessment and reduction of land tax to 5 p. c. and the establishment of a branch Telegraph office in the old town, the want of which the merchants who reside and trade in the old town feel very much owing to the Telegraph office now being situated nearly two miles from this place. And now we humbly solicit your Excellency's permission to explain the main causes why we so ardently request your Excellency to do away with the house assessment and to diminish the land tax from 7½ to 5 p. c.

Your Excellency may easily find that Cannanore was a purely Military station with a full European and two Native Regiments and had besides, though only for a time, a Cavalry Regiment: the bulk of the inhabitants were dependant upon the Regiments for their living. Since the troops were removed from this station the poor inhabitants became sunk into utter poverty and destruction, so much so, that the greater part of them were obliged to emigrate to other places such as Rangoon, Burmah and other settlements seeking for their livelihood; which fact can be ascertained by the census reports. And those who have remained in the station are so much harassed by the different kinds of Municipal taxes that their properties are being sold by public auction by the Municipal servants on account of their non-payment of the tax. And we are not ashamed to represent to your Excellency that most of our brethern have even tasted the miseries of the Jail on account of the taxes. These facts can be verified from the Municipal and Magisterial records. The rigors of the Municipal taxes are so great that even a poor petty wood seller, who by his hard labour earns two annas a day, cannot go on with his business without being taxed.

In short we must respectfully beg to state that we are not only insufferably burdened with the various sorts of Municipal taxes such as land tax, house tax, profession tax and etc., but also subjected to income tax by the Taluq Board and to certain impositions by the military authorities very much resembling municipal tax. Even our dumb animals must not graze in the esplanades until a fixed rate of 4 annas per month is paid per head to the contractor, who rented the grass plain belonging to the military authorities.

Our present grievances force us to allude here to a certain tax levied by the Sultan Ali Raja Avergal with the consent of Government, under the appellation of Mutherfa tax on houses within the Karar limits besides the municipal taxes—the same as we pay to the municipality under the name of house tax, *as the foreign inhabitants do.*

In these circumstances the memorialists earnestly solicit that Your Excellency will be graciously pleased to exempt us at least from the house assessment, to reduce the land tax to 5 p. c. and to establish a Branch Telegraph Office in the old town.

For which act of kindness and charity memorialists as in duty bound.

Will ever pray.

Moturpha is a
on houses, bazaars, fishin
boats, nets &c levied by the
Raja of Cannanore.

In para 19 of his
letter dated 1st February
1867 no 16 printed with
G.O dated 24th June 1867
no 727, Public, Mr. Ballard
orde as follows:—

"There is nothing
here to show that —
Moturpha collections
were reserved to Govern
ment or the Beebee, a
the Board ruled, on a
reference from Mr. Gra
in regard to the moturp
"the phrase Jamma on
houses evidently refers
to the payment to be mad
by the Beebee & the Briti
not to the revenues that the mighty
Government, and I desire
from the houses in
question". The moturp
however, does not appe

that all ated taxes

"The Government have
therefore, resolved that the
collection of these petty taxes
shall cease, and that the
provisions of the Towns'
Improvement Act shall
be applied within the Karaikal
limits of Cannanore.
The collection by the Rajah
of such personal and
professional taxes of the
nature of a motarpha
has no legal sanction,
or authority, but the
Government recognize
the fact that, by their
entire abolition for a
public object, a con-
siderable loss will be
entailed on Sultan
Musa Ali Rajah, and
that he is equitably
titled to a reduction
of peishkush on this
account. In accord
with this view, the Collector
of Malabar was authorized

to offer liberal compensation in this form to the late Sultan Ali Rajah on the condition that all collections of the nature of notorphi taxation should cease but be declined to consent to any settlement of the matter.

The same offer will now be renewed to Imsa Ali Rajah who will be informed by the Collector that, in the event of his refusing to enter upon an agreement upon the subject, the necessary steps will be at once taken to prevent the levy of the private cesses in question within the Karár limits, on payment of compensation calculated on the ascertained net income derived from this source."

In replying to Mr. above G.O Mr. Logan stated that he had an interview with Rajah from Shri

he found that the Raj absolutely refused to enter on the discussion of any question of Dispensation to be made to him in lieu of the petty cesses now levied, that the Raja did not look at the matter from a pecuniary point of view at all, that he is of opinion that the Karár entitles him to levy the cesses & that giving them up would be the first step to a concealment of the Karar.

Government then passed the following order

"The Governor in Council regrets to learn from these papers that Sultan Hussa ali Rajah declines to avail himself of the offer by Government of liberal compensation for the relinquishment of those petty taxes of the nature of motorpha which have hitherto been lev. by his family without sanction of law, but

ke continuance of thi
in conjunction with th
position of municipal
-gation, is deemed -
-pedient.

2. In the hope of effecting some satisfactory arrangement with the Cannanore family, the actual application of the Towns'-Improvement act has hitherto been held in abeyance in that are styled Karár limits, but, in the interests of the community, this can no longer be permitted, the necessity for improved sanitary arrangements throughout Cannanore town being imperative & being impeded by the special treatment hitherto observed towards the portion known as the Karár limits.

3. Under these circumstances, the Governor in Council resolves: that the Towns Improvement act shall be brought in operation throughout the town, including the so-called Karár limits, and that the municip-
rate

rates & taxes shall be levied
therein, excepting the
professional & trades tax
which is every where to be
discontinued after the
close of the current financial
year.

The magistrate will notify
publicly in the town that
the municipal act has been
so extended, and that, as it
has come to the knowledge
of Government that the
Rajah levies petty taxes
not being of the nature
of land Revenue or pay-
ment for the use of land
being his property and used
for house sites or otherwise,
the Government, in order
to save the people from
double taxation, have
offered to the Rajah full
compensation for the
relinquishment of the
petty taxes above described
but that he has refused
to consent to the arrangement.

A copy of the Hukm
is also submitted.
