GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—again the following paper :—

G.O., Mis. No. 1520 M., dated 7th September 1896.

ABSTRACT.—Requesting the Chairman, Municipal Council, Ootacamund, to submit an application for the loan of Rs. 10,400 required for sanitary works in the form prescribed in article 6 of the Resolution of the Government of India, No. 15, dated 1st January 1889.

READ—also the following papers :—

From G. HAMNETT, Esq., Chairman, Municipal Council, Ootacamund, to the Chief Secretary to Government, dated 1st October 1896, No. 2585.

As desired in G.O., Mis. No. 1520 M., dated the 7th September 1896, I have the honour to submit an application for the loan of Rs. 10,000 in the form prescribed in article 6 of the Resolution of the Government of India cited in the order.

2. The loan has been reduced to the round sum of Rs. 10,000, instead of Rs. 10,400, so that the repayment may be made by equal annual instalments in ten years.

3. The interest has been entered at 4¼ per cent.—the rate at which the Government have been pleased to grant previous loans.

From J. H. A. TREMENHEERE, Esq., Acting Collector of Nilgiris, to the Secretary to Government, Local and Municipal Department, dated Ootacamund, 5th November 1896, Dis. No. 2528.

With reference to endorsement, No. 1210, dated 22nd October 1896, Cur. No. 2686 M. forwarding to me for remarks the application of the Ootacamund Municipality for a loan of Rs. 10,000 for certain sanitary works, I have the honour to state that none of these are included in the list of works for which a grant was given in G.O., No. 1714, dated 8th October 1896, that they are all urgently required ; and that, in my opinion, it is very advisable that the loan sought for should be granted.

ORDER—No. 2058 M., dated 3rd December 1896.

The application for a loan of Rs. 10,000 received with the Chairman's letter read above will, as amended by Government, be published in the Fort St. George and the Nilgiri District Gazettes. After one month from the date of such publication, if no valid objections have been raised, the application will be sanctioned.

2. The Collector of the Nilgiri district will report the date of publication in the District Gazette.

In these circumstances it is submitted that the amount of loan now applied for may be paid as a grant from Provincial Funds as the sanitary works for which it is required appear to be more urgent than those for which a contribution of Rs. 30.000 was sanctioned in the Government Order above referred to.

G.O. 1569 A M / 14.9.96

V.R 17/10/96

With the recently sanctioned rate of water-tax the muni. revenues should improve. The deficit, which has now been wiped off by a grant from Govt., was caused by the enormous reduction in receipts from land-tax owing to a ruling of the High Court. It is submitted therefore that the loan may be sanctioned. It may be met from the loan of one lakh provided in the budget estimate for 1896-97 for Cuddalore, which is not likely to be used.
