To

(Local and Municipal Department.)

Through the Head Assistant Collector and the Collector of Tanjore.

SIR,

Adverting to para 3 of G.O. No
141900. dated 21st August 96. reviewing the
Administration report of this Municipality for
1895-96, I have the honor to state that in the
revision of House Tax Assessments made during
the current year, the Assessments in 472 cases
were enhanced and 121 houses were newly brought
under Assessment. The total increase in the
Assessment aggregated to Rs 748-9-0.

2. The revision of Land Tax will be taken up at the close of the current official year so that the revised Assessment may be adopted for the ensuing official year.

3. The large difference between the

the number of houses as per Census of 1891 and the number under Assessment is explained by the fact
(i) that the census figure includes a large number of huts of very small size whose annual rental is below Rs 6/-, and are consequently not liable to taxation.

(ii) that a Single Assessment number represents 3, 4 or in certain cases even half a dozen census numbers, i.e. in big houses, large godowns etc, a separate census number had been given to each of the huts, servant quarters, watchmen's shed, etc attached to them, while for the purpose of Assessment a single number is given to the whole compound.

(iii) That the huts in Hauliarkuppau, Samanthan-kuppau & Leechankuppau, small ^{hamlets} ~~huts~~ on the beach, included in the census figures are entirely exempt from taxation.

I have the honor to be

Sir

Your most obedient servant
