Laid on the table:—

I. Read Circular Order No. 4203 dated 8th November 96 from the Acting Collector Vizagapatam District inviting attention of all the Chairmen Municipal Councils in the District to paras 33 & 58 of the new Famine Code and reminding that the state of the season is such that relief work may probably be required at no very distant period and that in that event they will be required to devote their available resources to the execution of such work under strict Famine Code Conditions.

Note:- The Chairman suggests the Council that the amounts sanctioned for repairing the Middle school Building & for the expenses of the approaching Bubonic Plague be utilized for the famine relief works, of which the amount of the former, departmentally, and that of the latter by way of road work or other, as there is no chance of having the said plague in this place and he further brings to the notice of the Council that no other amounts from any other items can be spared excepting the above.

The Councilors regret their inability to combat adequately with the anticipated famine owing to the very limited funds of the Municipality. However it is resolved to form a fund of Rs 650/- by transferring Rs 200/- from the provision lately made for Bubonic plague as the famine is at hand.

This is an
intelligible

and the plague is uncertain, and by transferring Rs 450/- being the provision for repairing the Middle school Building which can be postponed until next year. The Chairman is requested to address the Government if necessary for their sanction of these transfers. It is further resolved to utilize the fund thus formed in removing & destroying the many prickly pear bushes on the beach from the flagstaff up to the hedge of the garden of Galam people in constructing temporary latrines with mudwalls in different localities on the beach thus cleared for the accommodation of the poorer classes who have been using these bushes as their latrines, and to enforce strictly the provisions of sections 176 & 186 of the Municipal Act which will also contribute work for labourers.

No 504

Municipal Office
Brinlipatam 27th Nov 96
From M.R. M. Venkatachalam Pantulu Garm
Chairman M.C. Brinlipatam

To The Chief Secretary to Government
Fort St George Local Municipal Dept.
Madras.

Sir,

In enclosing herein a copy of resolution passed by the Municipal Council on the 26th Instant in pursuance to the requisition of the ag collector Vizagapatam in Circular order No 4203 dated 8th Instant, I have the honor to state that the Council have resolved to allot Rs 650/- for Famine relief works and to meet the charge by transferring Rs 200/- from the provision lately made for Bubonic Plague & Rs 450/- being the amount provided for the repairs of the Local Middle School Building.

Of this only Rs 275 was allotted from municipal funds & Rs 175 was sanctioned from Provincial funds
Rs 1810 m
26.10.96

There is no likelihood of the Plague breaking up in this town. However it is considered advisable that out of Rs 300/- sanctioned by Government for this purpose in G.O. No 1849 M. Mis dated 2nd November 96 a small sum of Rs 100/- should be left for immediate use in the event of the plague making its appearance and to transfer the remaining Rs 200/- for the expenditure on Famine relief works.

The repairs of the Middle School building will have to be postponed until next year to provide a further sum of Rs 450/- for the same purpose although the repairs are considered absolutely necessary, yet the Council is constrained to postpone the work to meet a greater necessity.

I therefore request that you will be so good as to obtain the sanction of the Government for the transfer of funds for the expenses of famine relief works as suggested above.

I further beg to state that if there be no necessity for famine relief works in this District, the allotted amounts will be spent

as shown in the Budget. I have the honor to be

I have the honor to be
Sir,
Your most obedient servant
G. W. Pickens
