To

municipal and provincial departments, Madras.

Sir,

I have the honor to report that this town is a place of great pilgrimage and people come from different parts of Southern India to arrive here. It is therefore in close touch with Bombay, Hyderabad and other places where the Bubonic Plague is at present epidemic.

2. Holding in view the aforesaid fact and the several communications received from the Sanitary Commissioner, Madras on this subject giving instructions as to the precautionary measures to be adopted to prevent the appearance of the plague the Council has, at its meeting held on the 24th ultimo, sanctioned the entertainment at once, as a temporary measure, of two hands, one on Rupees 10. per mensem to be stationed at Ravigunta Railway Station.

Enclosure.

SIR,

With reference to your endorsement No. 1392 of the 25th November 1896, I have the honor to state that the Chairman's allegation that numbers of persons from Bombay and the neighbourhood arrive at Tirupati for purposes of pilgrimage is correct. Considering the slender sanitary staff at present maintained, the additional two hands are desirable. I advise that in sanctioning the entertainment of these men the Government point out that this expenditure would be wasted if the Municipality did not by means of its ordinary staff also watch the route to Tirumala - arrivals in the Municipality by road.

I have the honor to be,
