MUNICIPAL COUNCILLORS' OFFICE,

No. 49

FROM Khadr. Nazim Khan
CHAIRMAN.

Municipal Council
TRICHINOPOLY.
3226M

To,
The Chief Secretary to Government,
Local and Municipal Department,
FORT ST. GEORGE.

Through the Collector of Trichinopoly.

Sir,
With reference to G.O. No 1731 M. dated 10th
October last. I have the honor to report
for the information of the Government
that the Municipal Council has accepted
the revised estimate of Rs 5,18,255 for the
Water Supply Scheme in its meeting
held on the 19th Instant, a Copy of
whose proceedings is herein enclosed.
2. The Council has to pay Rs 5,270 for
its share of the excess shown in the
revised estimate and this sum, the
Council proposes to pay partly in this
year and the balance in the next
year. The whole amount will be.

provided for in the budget for 1897-98, if it is found impossible to provide for the same or a portion of it in the revised budget for the current year. I believe it will not be inconvenient to postpone the construction of the additional well for the dry season in 1897-98, when the necessity for it or otherwise will have been fairly judged. At present the supply from the existing wells is abundant.

3. With regard to the purchase of the machinery referred to in para 3. of the order under reference, I shall write again as soon as the Council finally decides in the matter on receipt of the report of the sub-committee appointed by it.

4. Regarding the extension of the water supply to Wonijur and Puthur, the Council reiterates their desire to carry it out at an early date and

requests that the Government will be pleased to order that detailed estimates and plans may be prepared by the Sanitary Engineer's department.

I have the honor to be
Sir
your most obedt servant
