From

The Chairman, Municipal Council

To

The Chief Secretary to Government
Fort Saint George, Madras.
(thru the Revenue Divisional Officer)

Sir,

In submitting herewith a proposition statement for the entertainment of a temporary establishment under Grant I. Water supply establishment and Grant III. Causervany Cholera Charges as sanctioned by the Municipal Council, Vizianagaram at its meeting on 10th October 96 owing to the imminent necessity that arose on account of the recent advent of cholera imported by the Pushkarum pilgrims, I have to request you to be so good as to obtain the sanction of Government for the same. The establishment entertained as detailed in the proposition was done away with soon after the necessity ceased. But the Council however thought necessary to retain two tank watches per annum, to be placed one at Be and the other at Chervu as

suspected to have been drinking the waters of these tanks
into which the sewage and filth of the town are carried.
As the entertainment of these two watchmen will be embodied
when the next budget will be submitted to Government
for sanction, I request that sanction for the entertainment
of these tank watchers may be accorded for the period
till the end of March 1897. As the Government is already
aware of the importance of the subject, I need not submit
that the entertainment of these tank watchmen in view
of guarding the water sources more carefully is
necessary.

I have the honor to be

sir,

Your most obedient servant
