Sir
With reference

to G.O. No 1804 h. h. h.

Dated 24th October 1896

I have the honor to
submit herewith a copy
of the Resolution of the
Council passed at a
meeting held on the
3rd Instant, adopting
all the bye-laws approved

in G.O. No 180 M. Dated

13th February 1891

together with a copy
of the said bye-laws.

2. It was thought at
first undesirable to
introduce the bye-laws

relating to the laying

of house service pipes,

until by experience

it could be seen whether

2

the supply of water

in the tank was sufficient

to cover the increased

consumption of water

by the inhabitants which

was likely to follow by

allowing house service

but on further considera-

-tion the Council

has come to the conclu-

-sion that such service

is not likely to be availed

of to a very large extent

as the cost of introducing

the pipe-water into

houses which would be

at least Rs 50-0-0

per

her house is such that
the majority of the people
can ill afford to under-
go it. Moreover, it was
thought that whenever
the supply in the tank
runs low and it is
considered necessary
to economise as much
as possible, the supply
to houses which would
be always under the

control of the Municipi-
-pality might be tem-
-porarily suspended.

I have the honor to be,

Sir,

Your most Obedt. Servt.

A. Ramesh
