Sir,

I have the honor to submit that the Council resolved on 17-11-94 to sell 44.48 square yards of site as per plan attached for a Bhajana Saradi to be built on it and the Sub-Collector in his letter No. 2123 dated 29-6-96 asked the Council to let him know whether it still considered advisable to sell the site in question and the Council thereupon resolved on 12-9-96 that it was of opinion that the site should be sold as already resolved on 17-11-94.

2. The site forms part of a street and is thus vested in the Municipal Council and

and the sale of it does not inconvenience
the public as it is situated beyond the
side drain.

3. I therefore request you may be
pleased to obtain the sanction of the
Government for the same.

4. Copies of the resolutions dated 17.11.94
and 12.9.96 are herewith enclosed.

READ. Collective petition by Kottar Swami and others requesting to grant them the vacant site opposite to K. Sretaramachendera's garb's house for constructing a Bhajana Kutam, either gratis or for price.

Resolution - The site will be sold to Swami and others for Bhajana Sawadi in preference to the petitioner (Paddayya) at Rs. 1 per square yard. There is space enough on either side of the road for depositing gravel and the present site which is beyond the side drain may be sold without any inconvenience to the public.

(2) The site is very small for a Bhajana Savidi. Still, I see no particular objection from a public point of view to its grant for that purpose, as the side drain is not to be encroached upon.

(3) The mud wall at the back is in a tumble-down state. If the grant of the site to Passugga would lead him to pull down the mud wall & construct a pucca building, I think it would be better than crowding a Bhajana Savidi into such a confined space between Passugga's back-yard & the side drains. Passugga strongly objects to the grant of this site for a Bhajana Savidi and promises to erect a pucca built godown if the site be assigned to him. I think there is reason in his objections.
