Board's Proceedings recommending for the resumption of certain — in Ongole taluk and the transfer of the assessment thereon to the Ongole Taluk Board for the upkeep of a pond, sanctioned.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

Read—the following Proceedings of the Board of Revenue (Land Revenue), Mis. No. 3323, dated 20th July 1896 :—

Read—again the following Proceedings of the Board of Revenue (Land Revenue), Mis. No. 1847, dated 20th April 1896 :—

Read—the following letter from E. SCOTT, Esq., Acting Sub-Collector of Nellore, to the Collector of Nellore, dated 5th February 1896, Ref. No. 7131-Rev. :—

I have the honour to report that there is in the village of Vammavaram, Ongole taluk, an inam of 14.04 acres assessed at Rs. 21-1-0 granted for the upkeep of a drinking-water kunta in the village. The inamdars are the village officers for the time being. Since 1856, the inam had been in the occupation and enjoyment of Mattagunta Venkata Lakshmiah, but he has been paying no rent to any one although in Order, No. 2797, dated 12th May 1891, he agreed to pay a rent of Rs. 60, when ordered to do so, I fancy illegally, by the then Sub-Collector.

2. The only expenditure which had been laid out on the kunta recently is the execution in 1894 of 1,133 cubic yards of earth-work at a cost probably of about Rs. 70 by the occupiers.

3. Under these circumstances I would recommend that the inam be taken out of the charge of the village officers and handed over to the Taluk Board after resumption. This will ensure the kunta being kept in proper repair as it is necessary it should be as the Tahsildar reports that it is used for drinking purposes and is absolutely necessary.

4. I would also in this connection request to be informed if all such kunta inams, of which there are many in this division, whereof the title-deeds have been issued in the name of the village officers, cannot be transferred to the Taluk Board. It will save a great deal of correspondence if this is done and is the only way of ensuring that the objects of the inam are carried out. I can see also no legal objection to this proposal. Several of the inams have already been handed over to the Taluk Board, and in other cases I have recommended a similar course (*vide* this office letter, No. 474—Sub-Collector, dated 21st January 1896).

Ref. No. 844-Ver.

Submitted to the Board of Revenue, Land Revenue, for orders.

2. In the cases reported by the Sub-Collector, the ponds are intended for public utility and the inams have not been granted in the name of any particular individual. I think the course suggested by the Sub-Collector may be approved.

(Signed) P. SITARAMAYYA,
Dy. Collr. for Ag. Sub-Collr. in charge.

Reference on the above, dated 19th March 1896.

The Collector is requested to quote the number of the title-deed relating to the inam recommended by the Sub-Collector for resumption and transfer to the Taluk Board.

(Signed) R. C. C. CARR,
Acting Secretary.

Read—also the following letter from W. S. MEYER, Esq., Acting Collector of Nellore, to the Secretary to the Commissioners of Land Revenue, dated 28th March 1896, Ref. No. 844-Ver. :—

I have the honour to reply to Board's reference on General No. 1314 of 1896, dated 19th March 1896, that the number of the title-deed of the inam therein referred to is 237.

Resolution—Mis. No. 1847, dated 20th April 1896.

The Board presumes that the pond to which the inam covered by title-deed No. 237 is attached is out of repair. If so, the Collector is requested to obtain and forward a copy of the Taluk Board's Resolution agreeing to accept the assessment on the inam land and to utilize the same for the upkeep of the pond.

2. In regard to the other inams of the kind under reference, no interference is called for so long as the conditions of the grant are fulfilled. In the event of a default, proposals for the resumption of the inams and the transfer of their assessment to Taluk Boards in view to the due maintenance of the charitable works should be submitted for the sanction of Government.

Read—also the following letter from W. S. MEYER, Esq., Acting Collector of Nellore, to the Secretary to the Commissioners of Land Revenue, dated 27th June 1896, Ref. Nos. 844 and 2157-Ver. :—

With reference to paragraph 1 of Board's Proceedings, No. 1847, dated 20th April 1896, I have the honour to enclose copy of the Ongole Taluk Board Resolution, No. 28, dated 3rd June 1896, agreeing to take over the management of the pond.

2. The Board's surmise as to the pond being out of repair is correct.
