DISTRICT BOARD'S OFFICE,

VIZAGAPATAM,

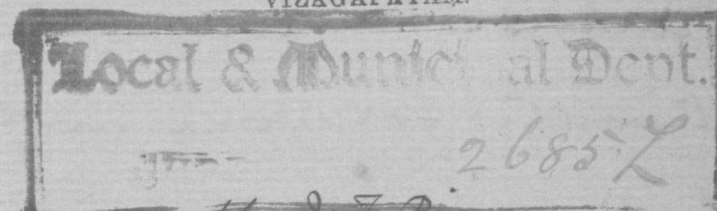

Dated 23rd Sept 1896.

From

W. C. Horne Esqr
PRESIDENT, DISTRICT BOARD,

VIZAGAPATAM.

To

The Honorable J. F. Price

CHIEF SECRETARY TO GOVERNMENT,

LOCAL AND MUNICIPAL DEPARTMENT,

MADRAS.

SIR,

I have the honor to state that it has been a practice in the Visianagaram Taluk Board to entrust the supervision of village communications to members of the Taluk Board who live in their vicinity and take an interest in their proper execution. The supervision consists in the preparation and submission of estimates for road repairs and in submitting actual accounts after the completion of the works. In all the estimates prepared, one cubic yard was adopted as the unit for earthwork and road metalling instead of 1000 and 100 cubic feet -

prescribed

prescribed in Rule 29 of the Local Fund Public Works Rules.

2. The reason for changing the unit prescribed by Government is explained to be due to the inability of ordinary Board members to prepare and submit proper estimates for works under Grant I & III which cannot conveniently be undertaken by the Local Fund Engineering department. The Taluk Board President states that the members entrusted with the execution of petty works prepare estimates more accurately by adopting one Cubic yard as the unit than if the rule quoted above were adhered to. I request therefore that the sanction of Government may be obtained for the adoption of the units now in use.

3. A copy of the resolution of the Taluk Board approving the alteration now recommended is enclosed.

I have the honor to be,

Sir,

Your most obedt Servt

R. V. V. V.

For President District Bd

CHW

No. 272

From

F. C. Harrison Esq. M. A.
OFF. ACCOUNTANT-GENERAL

TO THE GOVERNMENT OF MADRAS,

To

THE Secretary to Government,
Local and Municipal Department,
Fort St. George

SIR,

With reference to acting Assistant
Secretary's endorsement no: 1166, dated the 10 October/96,
on letter no: 910 dated 23rd September 1896 from the
President, District Board, Vijayapatam, request-
ing the sanction of Government to the adoption
of the Cubic yard as the unit for earthwork
and road metalling estimates, instead of those
prescribed in rule 29 of the Local Fund Public
works rules, I have the honor to state that
there is no other objection to the proposed change.

I have the honor to be,
Sir,
Your obedient servant,

Ullasim
