Letter from the President Taluk Board,
Coimbatore ref: on Cor: No $\frac{156}{563}$ of 27-10-96
requesting sanction for an allotment of
Rs 6900 for constructing a railway feeder
from Periyanaikunpalayam to Agara Sema
- Holaw. —

Resolution No 107 of 1896.

The Board is of opinion that the road
is unnecessary, as it will have a
tendency to divert traffic from, rather
than bring traffic to, the Periyanaikun:
palayam station. —

OFFICE No. 3095

TO,

THE CHIEF SECRETARY TO GOVERNMENT,

LOCAL AND MUNICIPAL DEPARTMENT,

Madras.

SIR,

In Confirmation of my letter dated
October 13th 1896 ref: on No $\frac{379}{563}$ of 1896
2.6.2.102 27-10-96

I have the honour to report that the inhabi:
-tants of the villages which will be served
by the proposed new road absolutely de:
-cline to contribute towards its cost.

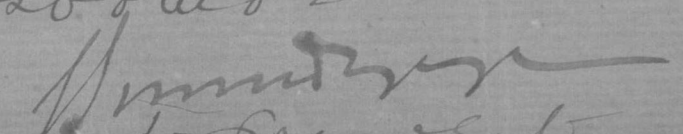

For the reasons
given in my last letter I think that it is
extremely doubtful, whether the road
will be worth its estimated cost. The
Taluk Board has no funds for it.

2. The station is already connected
with the roads on the west side of the
railway

railway line, and it is not likely
 to obtain any great increase of traffic
 from the road now proposed, in fact
 some of the members of the District Board
 consider that it may have the effect
 of bringing some of the traffic which
 now goes to Periyancikampalaisyam,
 to Coriubator.

3. The villagers are unwilling to
 contribute any thing towards its cost,
 and this coupled with the fact that none
 of them will give up the land require d
 for the road without the payment
 of very heavy compensation seems
 to show that the road really is not
 required. — For these reasons it appears
 to be unwise to spend Rs. 6900 upon a
 so called feeder road which is not
 likely to be of much advantage
 to the Railway Company.

4. A copy of the District Board's resolution
 on the subject is enclosed.

I have the honour to be

 Your most obed^t servant
