REVENUE DEPARTMENT.

READ—again the following G.O., Mis. No. 3921, Revenue, dated 1st October 1895:—

Read—the following Proceedings of the Board of Revenue (Land Revenue), Mis. No. 4291, dated 26th August 1895:—

Read—the following letter from H. TREMENHEERE, Esq., Collector of Bellary, to the Secretary to the Commissioners of Land Revenue, dated 19th August 1895, Ref. on Cur. No. 3998:—

In the village of Chellagurki in Bellary taluk there is a dasabandam tank endowed with an inam described in the margin. The tank is out of repair, the bund having breached. The inamdars have expressed their willingness to repair the tank in five years. The cost of repairs is estimated at Rs. 700, and there is no guarantee that the inamdars will spend this amount. The tank is very much silted up and the tank-bed is reported to be under ryotwari patta, from the time of paimash. These ryots will certainly not allow their lands to be submerged and the tank repaired. Apart from this difficulty, the tank will hold only two months' supply and will be dry when water is most needed. Under these circumstances, both the Tahsildar and the Divisional officer recommended that the inam be resumed and the assessment on the inam lands transferred to the Bellary Taluk Board on condition of its completing and maintaining in good order a public well now being constructed by the Board. The Taluk Board has expressed its willingness to do this and its resolution is enclosed. I have the honour to recommend that the Government may be moved to sanction the resumption of the inam and the transfer of the assessment to the Bellary Taluk Board.

Resolution—Mis. No. 4291, dated 26th August 1895.

Submitted for the orders of Government.

2. The Board supports the Collector's recommendation. It is observed that the inam is a "darmadayam" or charitable grant.

Order—Mis. No. 3921, Revenue, dated 1st October 1895.

The Collector states that the bed of the tank is under occupation on ryotwari patta and that the pattadars are likely to object to the repair of the tank; he should be requested to ascertain how the inamdars propose to get over this difficulty. The other

circumstances mentioned by him, viz., that there is no guarantee that the inamdars will execute the repairs as promised and that even when repaired the tank is not likely to be of much use to the public are not sufficient grounds for the resumption of the inam.

 Secretary to Government.

To the Board of Revenue (Land Revenue), with two enclosures.

READ—also the following Proceedings of the Board of Revenue (Land Revenue), Mis. No. 176, dated 14th January 1896:—

Read—the following letter from M.R.Ry. T. RAMA RAU Garu, Head-quarter Deputy Collector, Bellary Division, to the Collector of Bellary, dated 7th December 1895, Ref. on Eng. No. 1908—757:—

In reply to your Reference on G. and B. No. 324, dated 23rd October last, I have the honour to state that the inamdars of the dasabandam tank of Chellagurki in the Bellary taluk express their unwillingness to repair it, as they have reason to suspect that the bund if constructed would be removed by the pattadars holding the tank-bed land. The inamdars say that they are prepared to pay full assessment on the inam, but that they cannot give their consent to the inam being assigned to the Local Fund well in their village. The tank-bed pattadars on the other hand depose that they have no objection to the inamdars executing the necessary repairs to the tank, and that they will cultivate the bed land when there is no water in the tank, but it is doubtful whether they will act accordingly inasmuch as they have to pay Government assessment whether the land is cultivated or not. As the tank is much silted up and is not capable of holding sufficient water unless it is repaired at very great expense, the inam may be resumed.

Endorsement by H. TREMENHEERE, Esq., Collector of Bellary, dated 17th December 1895, Ref. on C. No. 324.

Submitted to the Secretary to the Commissioners of Land Revenue, Madras, with reference to Board's Proceedings (Land Revenue), No. 5169, dated 12th October 1895.

2. As the inamdars now express their unwillingness to repair the tank and are prepared to pay full assessment of the dasabandam inam lands, the inam may be resumed and the assessment made over to the Taluk Board as already proposed.

3. The title-deed is missing.

Resolution—Mis. No. 176, dated 14th January 1896.

Submitted to Government with reference to G.O., Mis. No. 3921, Revenue, dated 1st October 1895.

2. The Board supports the Collector's proposal in paragraph 2 of his endorsement.
