In G.O. No. 2187 L dated 18" November 1896, the Government sanctioned the purchase of two sets of tents on the following scale, one for the Sanitary Commissioner and the other for his Deputy, and the entertainment of two tent lascars, and directed the former to ascertain and report at an early date how long it would take the Vellore jail to supply the tents and how the required funds could be met:-

1 hill tent with 5 feet bathroom and with chicks and carpets. . .14'X14'
1 sleeping pal with walls 4 feet high . . . . .12'X12'
1 servants' tent with walls 1½ feet high. . . . . 12'X12'
1 necessary tent with walls 5 feet 10 inches high. . . . .4'X4'

When the current letter was
written B.R. had not re-
-ceived the G.O. of 19/11/96 [illegible]
If the equipment is wanted in
the scarcity & Vellore cannot supply
it for some time, perhaps the
B. of R. ch. had been sufficient
to go on with. The second reason
has however materially
altered the outlook in the
affected districts. Perhaps the
best course will be to refer him
as to this portion of his letter
to the G.O. as if he wanted

2. In his letter read above, the Sanitary Commissioner now states that he has visited all municipalities, the inspection of which was due during the year 1896, excepting Tellichery, Cannanore, and Mangalore, and that in view of the impending scarcity in the Ceded Districts, his services would be more useful if the remaining period of the year is devoted to the inspection of

measures

measures for the relief of distress, under section 154 of the Famine Code, ~~then~~ if he were to ~~[illegible]~~ proceed to the West coast where scarcity is not felt. He therefore requests that he may be permitted to defer the inspection of the municipalities named above and to proceed to the Ceded Districts. This proposal may be approved.

3. Dr. King also states that to enable him to do more than reach the principal towns on the lines of rail, it is desirable that he should be provided by Government with the following tents and that he should be permitted to entertain 3 tent lascars:-

1 Field officer's tent for himself.
1 Subaltern's tent for the office.
2 Pals for servants and peons.
1 Necessary tent.

Orders are requested as regards the supply of these tents and the entertainment of the lascars.

When the current letter was written Dr. K. had not received the G.O. of 18/11/96 no. 2187 L.Mn

If the equipment is wanted immediately & Vellore cannot supply it for some time, perhaps the B. of R. cd. lend him sufficient to go on with. The recent rains have however materially altered the outlook in the affected districts. Perhaps the best way will be to refer him as to this portion of his letter to the G.O. & if he wants anything more he may apply again

Enclosure.

SIR,

I have the honour to inform Government that in accordance with its requirements , I have visited all municipalities the inspection of which was due during the year I896- with the exception of Tellicherry , Cannanore , and Mangalore.

2--- Having regard to the fact that the effects of " scarcity" are being experienced in the Ceded Districts , I would venture the opinion that my services would be of more utility if I devoted the remaining period of the year to inspection of measures for relief of distress under Section I54 of the Famine Code than if I were to proceed to the West Coast where scarcity is not felt . Under these circumstances ,I trust Government will be pleased to approve ofmy deferring the inspection ofthe Municipalities named till next year , and permit me to proceed on the duty mentioned.

3 2-- To enable me to do more than reach the principal towns on the lines of rail , it would be desirable that I should be provided by Government with a set of tents,as follows ;-One Field Officer's tent -for myself ; one subaltern's tent-for office ; two pals -for servants and peons ; one necessary tent.

4 3- If Government be pleased to provide the above tents , I should further be obliged by permission being granted to entertain three lascars for duty with tents. I forward the necessary propostion Statement .

I have the honour to be sir,

Your most obedient Servant,

W E King
