J. H. A. Tremmhere Esq.,
President, District Board,
Nilgiris

To

The Secretary to Government,
Local and Municipal Department
Madras.

Sir,

Due to the danger arising from
blasting operations, the Benhope Toll gate
situated on the 16th mile, 7th furlongs of the Kallar-
Pohacamund road was temporarily moved

by G.O. 1329 L. mis 16 June 1893,
by G.O. 1701 16th September 1895

As I am satisfied by the Chief Engineer
Nilgiri Railway that all danger will have
absolutely passed by 1st January 1897 and as
the present location is objectionable under
such circumstances, I have the honour
to request that Government will approve of
the enclosed draft notification for retransferring
the toll to its original site from that date.

2. As the sale notification issued under the

orders of the District Board expressly contemplated the re-transfer, I believe a resolution of the Board may not be required by Government; but I shall submit it formally immediately after the meeting of the Board on the 11th December next, and beg that the notification may be sanctioned in sufficient time for its publication before 1st January, as one of the estates affected by the present position of the toll is subjected to considerable payments.

I have the honor to be,
Sir,

Your most Obedt. Servt.
