Read endorsement of the Assistant Secretary to Government, No 1189, dated 19th October 18, forwarding an estimate and plans from the Superintending Engineer, 6th Circle for a masonry dam for Kodaikonal Lake for Rs 28,000 and requesting to report if the District Board is prepared to undertake the expenditure with such assistance as Government may be willing to give.

Resolution

Professional opinion being to the effect that the bund is in no immediate danger, the Board considers that no action is called for at present.

To

The ~~Chief~~ Secretary to Government,

Local and Municipal Department,

Madras.

Sir,

In reply to endorsement No 1189, dated 19th October 1896 (herewith returned with enclosures) forwarding plan and estimate for a masonry dam for Kodaikanal lake, and asking the opinion of the District Board in regard to the execution of the work, I have the honor to forward herewith copy of resolution of the District Board No 185, dated 16th November 1896, to the effect that no action is called for at present, professional opinion being that bund is in no immediate danger. The District Board Engineer recommends a trial of the plan of tipping earth on the front face of the dam in hope of diminishing the leakage, and I have asked the Supt. Engineer to let me know his opinion as to the advisability of carrying out this proposal, and have also suggested to him that a fresh measurement of the leakage might be ordered to be taken at intervals in order to ascertain whether the leak is increasing or not.

I have the honor to be
Sir,
Your most obedient servant,

J. Twigg.

President.
