1/3255/96

Copy of communication from the President of the Madura Taluk Board to the President, District Board, Madura, No. Roc 582/19.10.96.

I have the honor to forward herewith a copy of Taluk Board's Proceedings No. 270, dated 19-9-96, that the house tax of Sholavandan Union should be raised to 3/4 of the maximum rates.

2. The reasons which prompted the carrying out of this resolution by the Taluk Board, though against the opinion of the Panchayet, are these:—

(1) The number of houses in the Union as per census of 1891, is 1967 and of the population 10,108.

(2) The average house-tax of the Union for a year comes at present to Rs. 730, and other miscellaneous receipts such as pandal fees &c may come to Rs. 20. The average income of the Union does not fetch more than the sum of Rs. 750. But expenditure amounts to Rs. 1100 (vide statement of receipts and Charges enclosed)

(3) The Union is composed of villages which are detached from each other and comprises a large area. The scavenging establishment as maintained hitherto was quite inadequate for the Union and the sanitation of the Union could not be met at tender by that establishment. The whole adequate staff formed also subject of remark by the District Medical and Sanitary officer.

Sir,

In forwarding herewith copy of Madura Taluk Board's resolution and of President's covering letter thereon recommending the raising of the rate of house-tax in Sholavandan Union from half to three-fourths the maximum schedule rates, I have the honour to request that Government may be pleased to sanction the proposal with effect from 1st April next. The income of the Union which is mainly from house-tax, is insufficient for present expenses, and further improvements in sanitary arrangements are required. The inhabitants of the Union are fairly well to do and are able to bear the additional tax. A statement showing the receipts and charges of the Union together with copy of District Board's resolution sanctioning the proposal, and a draft notification for approval and publication, are enclosed.
