FOR ORDERS.

In the letter read above the Accountant General forwards a Memorandum of percentages of contributions to be recovered from local bodies on account of controlling establishments at the Presidency for the year 1897-98 and states that the cost of the several establishments entered in the memorandum represents the sanctioned cost of the staff with reference to the letter from the Government of India recorded in G.O. No. 1052 F.* dated 25th October 1893 plus the actual amount of travelling allowances and contingent charges for the year 1895-96. As however the Local and Municipal Department has been recently provided with a separate Secretary, the cost of its establishment is now estimated at Rs.⊗ 43,400 for the current year and at Rs.⊗ 64,300 for 1897-98 against

Rs. 27,221 the cost for 1894-95, which was taken in G.O. No. 2190 L dated 19th November 1895 as the basis for the amount to be recovered in 1896-97 and Rs. 30,469 the cost for 1895-96. As these latter amounts are considerably short of the estimated expenditure to be incurred on account of this ~~Local and Municipal~~ Department in the two years, it seems but fair to adopt the former figures. The following draft order is submitted for approval:—
