The petition state as follows:-

In 1891 the petitioners presented a petition to the St Board praying for the construction of a road in Naduvirapattur & Chamappa Naikanpottam thereupon Mr. -sami Naiker L.A. overseer and an official of much experience inspected the place ~~at that time~~ in ~~the~~ rainy season and prepared plans & estimates for a road from Palur which passed through the petitioners villages and joined the Kuzinjipadi road.

This was in every way convenient to the petitioners and its construction was sanctioned. But the present Engineer has altered the line of this road & the one he has proposed is not useful to the petitioners, it will be damaged by floods. The petitioners have presented many protests against this to the St Board & to the Engineer but all in vain. They pray that a road convenient & useful to them may be constructed. They do not want one which cannot answer this purpose.
