SANITARY COMMISSIONER FOR MADRAS,

To

THE *Chief Sanitary to Government,
Local & Municipal Department,
Fort Saint George.*

Enclosure.

SIR,

*Referring to the Budget estimate
of the Trinapattur Municipality for 1896/97,
I have the honor to state for the information
of Government that the increase proposed to
the pay of the Vaccinator meets with my ap-
-proval, and that the allotment for Conservancy
which forms 22.3 per cent of the anticipated
current receipts needs revision with reference
to the following remarks:—*

*(1) The proposed pay of the Sanitary
Inspector referred to in para 65 of the Chair-
-man's letter is insufficient. It should be
raised to Rs 25 + Rs 7½ allowance, so as to allow
of the entertainment of a 3rd class certificated
Sanitary Inspector.*

*(2) The Staff of Conservancy sweepers
should be reduced to 17, and that of scav-
-gers raised to 33.*

*(3) From para 63 of the Chairman's
report*

Report embodied in L.O. dated 3rd August 1895
N^o 1253 in Local Municipal, it is observed
that there are 10 rubbish and 6 night-soil
carts for dealing with the daily accumulation.
As the capacity of these carts is not known,
I am unable to say whether the number in
use is sufficient for requirements. I would,
however, state for the information of the Council
that the total quantity of rubbish to be got rid
of daily is 799 cwt, and of night-soil 177 cwt, and
would advise the Council be requested to satisfy
itself as to the adequacy of the plant available
for the purpose.

I have the honor to be,
Sir,

Your most obedient servant,

W. May

Sanitary Engineer
