In forwarding in original
Copies of correspondence received from the
District Superintendent of Police, I have
the honor to inform you that the Police
Hospital at Palamcottah has been hitherto
taxed by the Municipality.

2. This year the Police Department seek
for exemption from payment of the tax under
Section 63 of Act IV of 1884 on the plea that
the hospital is exclusively used for charitable
purposes.

3. But the Municipality have on ap-
- peal confirmed the assessment with the
remark that "the Council does not con-
- sider that the building to be one falling
under Section 63 of the act."

4. I request therefore that you will
be good enough to obtain orders of Govern-
- ment on the matter.

Copy submitted to the Chief
Engineer with a request that the orders of
Government may be obtained. The Act
does not seem to authorize the taxation
of hospitals of any description.

Sir,

In reply to your No. 1431 of the 28th ultimo regarding the Municipal assessment on the Police hospital at Palamcottah, I have the honor to state that I cannot interfere under section 35 of the Act. The proper course is that an appeal should be preferred by the Executive Engineer who is in charge of the building under section 97 of the Municipality Act, duly bearing in mind the provisions of section 99 ii of the Act. If this has been done and if the assessment has been finally fixed by the Council on appeal, the Executive

patients are treated.

I beg to point out that the word "public" in the section qualifies only Choultries and not hospital & dispensaries & I think it is clear from the section that all hospitals are to be exempted, and therefore the hospital in question should be also exempted.
