CURRENT No. 180

From

J. A. JONES, Esq., MEM. INST. C.E., F.R.S.E.,

SANITARY ENGINEER TO GOVERNMENT,

To

The Chief Secretary to Government,
Local & Municipal Department.

SIR,

With reference to your official
Memorandum No. 13 of the 13th
instant, I have the honor to state
that all that is required during
1895/96 in respect of Coonjeeveram
Water Works is Rs 10,000 as the pay-
ments in respect of Machinery
& Pipes will not become due before
April 1896. As regards Dindigul
the grant sanctioned is Rs 40,000.
Of this sum Rs 23,000 was drawn
in November 1895. The balance
of Rs 12,000 shown in the memo-
randum under reference
includes Rs 10,928.9.0 expended

by

by this department during 1894/5 out
of an allotment of Rs 11,000 placed
at my disposal under G. O. No 915,
Financial, dated 16th September
1893. Vouchers for the sum of
Rs 10,928.9.0 have been sent to the
Accountant General. All that
the Dindigul Municipal Council
has yet to draw is therefore
Rs 1071.7.0.

2. Rurnool - The grant of
Rs 25,000 and a loan of Rs 54,220
already drawn by the Council
are considered sufficient to
meet the payments that will
become due before April next.

3. But if there is no objection to
that course the Councils might
be advised to draw the allot-
ments of the revised estimate
(except Dindigul & as above stated)

I have the honor to be,
Sir,
Your most obedt. Servt.

As to whether the

may be allowed to lapse. ~~be~~

Apparently a good deal of the
grants has been utilized, although
actual payments will not have to be made

~~But if they draw the~~
There is no harm in their drawing
the grants as they are available -
As to loans, they may draw them
also if they please - But of course
if they do they will have to pay
with. The only case I know is
that of Conjevaram - They will have been
paying to make in April, so perhaps
they might as well draw their loan late
in March so as to save money in interest
or prevent any stoppage of the work
consequently. The loss of interest will
be very trifling.

* Rs 84,000

As recommended by the Sanitary Engineer,
the Municipal Councils of Kurnool
& Conjevaram should draw the balance
of their allotments under Provincial
grants according to the revised estimate
before the end of the current year.
If it is considered likely that further
funds will be required for the work at
Conjevaram in the early part of 1896-97,
the Council of that place should also
draw the allotment under Loans, as
it is not desirable that the work should
be stopped for want of money, in order
that a trifling amount of interest may
be saved.
