As to the latter part of the draft it is probably sufficiently obvious that the Bd. was anxious to make things as smooth as possible for the contractor so as to keep up the bids in subsequent years.

CURRENT No. 2954 L

FROM

S. H. Wynne Esquire,

President, District Board,
North Arcot.

TO

THE CHIEF SECRETARY TO GOVERNMENT,
LOCAL AND MUNICIPAL DEPARTMENT,
Fort St. George.

Sir,

In G O dated the 10th March 1891, No 526 L, his Government sanctioned the proposal of the District Board to open two toll gates to the north of the Kamandala river — one at the junction of the Arcot and Sattyanijianagaram roads and the other at the junction of the x Vellore and Kunnathare roads — near Arni. In respect of the first of these two gates, viz, the one at the junction of the Arcot and Sathianijianagaram roads, the lessee for the current official year complained that the cartmen evaded payment of tolls by taking to cart tracks and requested the removal of the gate to the 18th mile of Arcot - Arni road at his own cost. The deputy Tahsildar of Arni, who was called upon to report on the matter, forwarded the accompanying sketch, shewing the position of the gate, the cart tracks &c and recommended the transfer sought for by the lessee. The District Board, before
