MUNICIPAL OFFICE TIRUPATUR.

Dated 13th Feb 1896.

From

Esquire,

Chairman, Municipal Council,

TIRUPATUR.

To

THE CHIEF SECRETARY TO GOVERNMENT

LOCAL AND MUNICIPAL DEPARTMENT,

MADRAS.

THROUGH THE COLLECTOR OF

SOLEM.

Sir,

With reference to the concluding clause of para
4 of G.O. No 128 d. dated 23rd January 1896, I have the
honor to explain as follows:—

According to the Railway Station Road in Tirupatur
is about three furlongs in length and there is more
traffic on that road than perhaps many other within the
municipal limits of Tirupatur town. It has very thick
and tall avenue trees on both sides of it for nearly
the whole length of it, which make it very dark
during the night and even on moon light nights there is
not sufficient light for the traffic on the road. Besides
the mail trains arrive at the station at 23.47 and 1.20
in the night and it is at that time that the passengers
feel the want of lights most. This was brought to the
notice of the Council and they resolved to light the Com.

on the road alone (about ten in number) even on
moonlight nights.

It was under these circumstances that an
extra provision was made in the budget under lighting
Contingencies.

I have the honor to be,
Sir,

Your most obedient servant,

Chairman
