SANITARY ENGINEER TO GOVERNMENT,

Local and Municipal Department.

Through The Accountant General, Madras

SIR,

I have the honor to inform you that on visiting Buddapah a few days ago I find that the existing staff will not be able to complete the work within the time mentioned in my No. 2780 of 26th September 1895.

2. Again it is advisable that the work should be done more speedily and in as little of the hot weather as possible. It is also more convenient for levelling operations to proceed at the same time as the survey on which the whole of the existing staff is engaged.

3. I therefore propose the following staff from date of employment say the end of this month (February)

1641 h
12-10-95

151 M

4. The cost of staff up to the end of February will amount to Rs 1,500 and I desire sanction to employ the following staff thereafter

1 Sub. Engineer	Rs 250 for 4 months = Rs 1,000 ✓
