Circular

No. 8718 dated 14th September 1894

Government having frequently drawn special attention  
 of the Officers concerned to the large number of unpassed and  
 unqualified teachers in Municipal and Municipalities.  
 the Ag. Director considers it necessary that for prompt steps  
 should be taken to effect speedy improvement in this direc-  
 tion. In the case of such of the Municipalities as have Inspect-  
 ing Schoolmasters of their own, these officers should be re-  
 quired to hold at least two sessional schools annually to  
 give instruction to unpassed teachers in the subjects of  
 Primary Examination and thereby to enable them to pass  
 the above examination and ultimately to qualify for  
 teachers' certificates. These sessional schools or classes  
 should be held either in the mornings or in the evenings or  
 both in the mornings and in the evenings, for about  
 two hours per diem, so that the teachers may be able to  
 attend the classes without prejudicing their work in their  
 schools. The Council may sanction, if it sees fit, a bonus  
 of Rs 3 or 4 by way of encouragement to the Inspecting  
 Schoolmasters for each teacher qualifying for a complete  
 certificate at the examination for the year. But in  
 Municipalities in which there are no Inspecting School  
 masters, the Inspecting Officers should arrange to send  
 the unqualified teachers for a three months' course to  
 the nearest sessional school in the district, giving them  
 such stipends as may appear fair and reasonable. The  
 Inspecting Officers are requested to give Municipalities  
 necessary

necessary advice on this point and to see that all the  
unpassed teachers in Municipal and aided Schools in  
Municipal towns pass the Primary or a higher exami-  
nation before 31<sup>st</sup> March 1897 after which date results  
grants may be absolutely refused from public funds  
to unpassed teachers. When the existing teachers are  
too old to study for the Primary Examination, they  
should be required to employ passed teachers regularly  
as their assistants.

The D.P.I. apparently suggested  
 that grant should be ~~disallowed~~ only  
 after 31<sup>st</sup> March 1897, - this is what  
 the Council have acted upon - but this,  
 it is submitted, is not sufficient  
 to outweigh the specific orders

The D.P.I.'s instruction, even as it  
 stands, ~~states~~ suggests the final date from  
 which grants sh<sup>d</sup> be wholly with-

 cluded partial reductions. In any  
 case the D.P.I.'s circular can't

ORDER. No. 360 mms 82.3-96

It appears that the Municipal Council  
 have misunderstood the D.P.I.'s  
 instructions, for in his circular the  
 31<sup>st</sup> March 1897 has only been given  
 as the <sup>suggested</sup> final date from which grants to  
 unpassed teachers should be wholly  
 withheld, whereas in G.O.s 926 M  
 20.7.94 instructions were given  
 - 1478 M the Council were instructed  
 12.9.95 either to reduce these grants or to altogether  
 withhold them - In any case, even  
 had the Council's ~~own~~ interpretation of  
 the Director's & Circular been correct,  
 such instructions could not override  
 the specific orders of Govt. The Council  
 will therefore be requested to delay no  
 longer in carrying out these <sup>requested</sup> orders,  
 which effect should be given from  
 1<sup>st</sup> April 1896.
