From C. H. MOUNSEY, Esq., Acting Collector and District Magistrate of Salem, to the Chief Secretary to Government, dated 8th February 1896, Ref. on No. 553—B. & G.

With reference to G.O., Mis. No. 1863 M., dated 7th November last, I have the honour to submit herewith a revised sketch showing the present and proposed boundaries of the Tiruppattúr Municipality as also an amended draft notification.

Order—No. 370 M., dated 4th March 1896.

The proposal to include the village of Vengalapuram within the limits of the Tiruppattúr Municipality is approved, and the following notification will be published in the Fort St. George and the Salem District Gazettes:—

NOTIFICATION.

In exercise of the power conferred by sub-section (1) of section 4 of the Madras District Municipalities Act (IV of 1884) and in modification of the notification, No. 257, published at page 74 of the *Fort St. George Gazette*, Part I-A, dated 9th June 1891, His Excellency the Governor in Council is pleased to declare that the boundaries of the Tiruppattúr Municipality shall, from the date of this notification, be as follows:—

North.—The northern bank of the Pachal channel from the three-arched bridge where the Madras Railway crosses it.

East.—Survey boundary line of the Tiruppattúr tank on the east and south of it as far as the Pillaiyar Covil sluice excluding the tank bund; thence along the eastern bank of the Pillaiyar Covil sluice channel as far as the south-west corner of survey field No. 376, and from this point along the eastern bank of the irrigation channel (without name) which branches off from the Pillaiyar Covil sluice and flows along the western side of (so as to exclude) survey fields, Nos. 377, 378, 388, 389, 390, 391, 395, 505, 506 and 508, until it crosses the Tiruppattúr-Singarapett road and enters another branch channel at the first milestone.

South.—From the point where this branch channel cuts the Tiruppattúr-Singarapett road at the first milestone, the boundary runs along the eastern side of Singarapett road excluding survey fields, Nos. 509, 528, 529, 533, 559 and 561 of the Tiruppattúr village, until it meets Vengalapuram survey field No. 160 (river) and along the same line excluding survey fields Nos. 119, 117 and 123. Then turning towards the northern side of Vengalapuram village it runs along the northern side of survey fields Nos. 155, 153 and 154 until it meets the Oni (Itteri) leading to Vengalapuram village. Then proceeds in a north-easterly direction along the northern boundary of survey field No. 61 and turns towards the south, goes along the eastern boundary of survey field Nos. 61, 62, 76 and 77 until it meets the Tiruppattúr-Singarapett road near the

south-eastern corner of survey field No. 77. Then crosses the road and turning towards the west, runs along the said road until it meets the north-eastern corner of survey field No. 91, whence it proceeds in a southerly direction along the eastern boundary of survey field No. 91 and then goes along the southern boundary of survey Nos. 91, 92, 93 and 106 until it meets the Oni leading to the Anayeri mittah near the south-west corner of survey field No. 106. Then turning towards the north it runs along the western boundary of survey No. 106 until the point where it meets survey No. 107, whence it goes along the southern boundary of the latter, then turns towards the north, goes along its eastern boundary until it meets the Singarapett road. From this point it runs along the Singarapett road excluding the survey fields, Nos. 107, 108, 109, 110, 114 and 115. Here it crosses the Vengalapuram river and runs along the same road excluding survey fields, Nos. 582, 580, 581, 572, 564 and 565, until it meets the tunnel of the irrigation channel opposite to the milestone above referred to. Thence the boundary goes westward, cutting across the fields in a straight line to the point at which the Annakutti channel crosses the Tiruppattúr-Uttankarai road; thence along the eastern side of this road, in a northern direction, for a distance of 1 furlong and 142 yards, to the point where the branch road to Chinnakadai crosses the Tiruppattúr-Uttankarai road; thence along the southern side of (so as to include) the branch road to Chinnakadai, through survey fields, Nos. 189, 188 and 187, as far as the Tiruppattúr-Mallapadi (or Bargur) road.

West.—From the last mentioned point westward to the south-east corner of survey No. 195, thence in a northerly direction along the east side of (so as to exclude) survey Nos. 195 and 199 to the south-east corner of survey No. 200, thence along the south and west sides of (so as to include) survey No. 200, and along the west and north sides of (so as to include) survey No. 203; thence along the east side of (so as to exclude) survey Nos. 135, 134 and 127 as far as the Pudupet road (survey No. 120) and from this point westwards along the southern side of (so as to include) the said road as far as the Madras Railway line; thence in a northerly direction along the eastern side of the Madras Railway line to the point where it crosses the Pachal channel at the three-arched bridge.

From C. H. MOUNSEY, Esq., Acting Collector and District Magistrate of Salem, to the Chief Secretary to Government, dated 8th February 1896, Ref. on No. 553—B. & G.

With reference to G.O., Mis. No. 1863 M., dated 7th November last, I have the honour to submit herewith a revised sketch showing the present and proposed boundaries of the Tiruppattúr Municipality as also an amended draft notification.

Order—No. 370 M., dated 4th March 1896.

The proposal to include the village of Vengalapuram within the limits of the Tiruppattúr Municipality is approved, and the following notification will be published in the Fort St. George and the Salem District Gazettes :—

NOTIFICATION.

In exercise of the power conferred by sub-section (1) of section 4 of the Madras District Municipalities Act (IV of 1884) and in modification of the notification, No. 257, published at page 74 of the *Fort St. George Gazette*, Part I-A, dated 9th June 1891, His Excellency the Governor in Council is pleased to declare that the boundaries of the Tiruppattúr Municipality shall, from the date of this notification, be as follows :—

North.—The northern bank of the Pachal channel from the three-arched bridge where the Madras Railway crosses it.

East.—Survey boundary line of the Tiruppattúr tank on the east and south of it as far as the Pillaiyar Covil sluice excluding the tank bund ; thence along the eastern bank of the Pillaiyar Covil sluice channel as far as the south-west corner of survey field No. 376, and from this point along the eastern bank of the irrigation channel (without name) which branches off from the Pillaiyar Covil sluice and flows along the western side of (so as to exclude) survey fields, Nos. 377, 378, 388, 389, 390, 391, 395, 505, 506 and 508, until it crosses the Tiruppattúr-Singarapett road and enters another branch channel at the first milestone.

South.—From the point where this branch channel cuts the Tiruppattúr-Singarapett road at the first milestone, the boundary runs along the eastern side of Singarapett road excluding survey fields, Nos. 509, 528, 529, 533, 559 and 561 of the Tiruppattúr village, until it meets Vengalapuram survey field No. 160 (river) and along the same line excluding survey fields Nos. 119, 117 and 123. Then turning towards the northern side of Vengalapuram village it runs along the northern side of survey fields Nos. 155, 153 and 154 until it meets the Oni (Itteri) leading to Vengalapuram village. Then proceeds in a north-easterly direction along the northern boundary of survey fields No. 61 and turns towards the south, goes along the eastern boundary of survey fields Nos. 61, 62, 76 and 77 until it meets the Tiruppattúr-Singarapett road near the

south-eastern corner of survey field No. 77. Then crosses the road and turning towards the west, runs along the said road until it meets the north-eastern corner of survey field No. 91, whence it proceeds in a southerly direction along the eastern boundary of survey field No. 91 and then goes along the southern boundary of survey Nos. 91, 92, 93 and 106 until it meets the Oni leading to the Anayeri mittah near the south-west corner of survey field No. 106. Then turning towards the north it runs along the western boundary of survey No. 106 until the point where it meets survey No. 107, whence it goes along the southern boundary of the latter, then turns towards the north, goes along its eastern boundary until it meets the Singarapett road. From this point it runs along the Singarapett road excluding the survey fields, Nos. 107, 108, 109, 110, 114 and 115. Here it crosses the Vengalapuram river and runs along the same road excluding survey fields, Nos. 582, 580, 581, 572, 564 and 565, until it meets the tunnel of the irrigation channel opposite to the milestone above referred to. Thence the boundary goes westward, cutting across the fields in a straight line to the point at which the Annakutti channel crosses the Tiruppattúr-Uttankarai road; thence along the eastern side of this road, in a northern direction, for a distance of 1 furlong and 142 yards, to the point where the branch road to Chinnakadai crosses the Tiruppattúr-Uttankarai road; thence along the southern side of (so as to include) the branch road to Chinnakadai, through survey fields, Nos. 189, 188 and 187, as far as the Tiruppattúr-Mallapadi (or Bargur) road.

West.—From the last mentioned point westward to the south-east corner of survey No. 195, thence in a northerly direction along the east side of (so as to exclude) survey Nos. 195 and 199 to the south-east corner of survey No. 200, thence along the south and west sides of (so as to include) survey No. 200, and along the west and north sides of (so as to include) survey No. 203; thence along the east side of (so as to exclude) survey Nos. 135, 134 and 127 as far as the Pudupet road (survey No. 120) and from this point westwards along the southern side of (so as to include) the said road as far as the Madras Railway line; thence in a northerly direction along the eastern side of the Madras Railway line to the point where it crosses the Pachal channel at the three-arched bridge.
