Proceedings of the Collector of Tanjore

Dated 28th January 1896

Read letter from the Chairman Municipal Council
Mammarhudi N^o 1096 dated 23rd January 1896, requesting
the Collector to Cancel Resolution N^o 3. Special Subjects
of the Proceedings of the Council dated 4th January 1896
the same being Contrary to the provisions of Section 221
of the Madras District Municipalities Act.

Read also the records received therein.

Order

Section 221 of the Municipal Act places in the hands of
the Municipal Council one of the most necessary powers
for the effective sanitation of a Town, viz, a power
which may be described as that of Compelling the
cleansing of back yards. In Agricultural Towns like
Mammarhudi, this is probably regarded with much
dislike

disfavour because it renders difficult the Collection of
manure which is so essential to Cultivation. As
there can be no doubt as to the great danger to health of
this practice of keeping manure, the Act has required
the cleansing out of such backyards and outbuildings
every 24 hours which effectually prevents the danger.

The Council however desires to defeat this portion
of the Act by making the cleansing once in 2 months.

There can, of course, be no doubt as to the danger
to health of this practice which the Council would set up
and also that the Resolution in question is ultra vires -
being inconsistent with the express terms of the Act both
as to the time of cleansing and as to the provision of
receptacles for filth and that it must be Cancelled.

I therefore hereby Cancel it under Section 35
of the Act and would urge on the Chairman the
proper

proper enforcement of this section by prosecution, the
initiating of which the Act seems to leave to his dis-
cretion.
