The following points are noticed in the President's and the District Medical and Sanitary officer's reports and in the statements submitted with the former:—

(1) In Columns 2 to 4 of statements I-A and I-B, showing the actuals of 1893-94, the Accountant General's finally audited figures have not been adopted in some cases.

(2) In Columns 9 and 10 of statement I-A, the contribution of Rs 676 received from private individuals towards the cost of constructing a School-building at Tirutturaippundi should have been credited to 6-Public Works and not to 2-Education.

(3) In Columns 8 and 10 of statement I-B, the expenditure of Rs 31 incurred on works connected with toll gates should have been debited to Communications and not to Establishments — Vide No 19 of the Local Fund Rules.

(4) In Columns 9 and 10 of

the same
statement ~~I-B~~, the cost of ~~furniture~~, articles
printed forms and ~~stationery~~ supplied to boards' schools should have been debited to "Schools" and not to "(h) Miscellaneous", as appears from the last ~~remarks~~ Column of the statement to have been done.

(5) In Columns 9 and 10 of the same statement, the expenditure of Rs 86 incurred for payment of Compensation for the land taken up for the storage of rubbish in the Kudavasal union should have been debited to Grant III (C) Sanitation and not to Grant I (a) New Works - Buildings.

(6) In Column 1 of statement VI only five out of the six markets under the Control of the local boards have been entered

(7) From Column 6 of statement VI-A, it appears that Rs 449-13-4 were drawn as interest on the Government Securities in favour of the Provident fund, but whereas this amount has not been included in the total of the interest

on Government Securities given in Column 10 of statement I-A.

(8) In Column 6 of statement IX all the three sessional schools in the district are shown as having had pupils on their rolls on the 31st March 1895, but according to Column 5 none of these schools was in existence on that date.

(9) From Columns 6 and 7 of the same statement, it appears that the numbers of boys and girls in the boards' schools on the 31st March 1895 were 6643 and 720 respectively, whereas according to statement I furnished by the Assistant Inspector of Schools they were 6643 and 686. respectively

(10) In Column 19 of the same statement the cost of furniture, printed forms and cloths supplied to boards' schools should have also been distributed among the schools concerned

(11) In Column 22 of the same statement ~~IX~~ the average net cost of educating each pupil in the upper secondary

the same
statement I-B, the cost of ~~furniture~~ articles printed forms and ~~stationery~~ supplied to boards' schools should have been debited to "Schools" and not to "(h) Miscellaneous", as appears from the last remarks column of the statement to have been done.

(5) In Columns 9 and 10 of the same statement, the expenditure of Rs 86 incurred for payment of Compensation for the land taken up for the storage of rubbish in the Kudavasal union should have been debited to Grant III (C) Sanitation and not to Grant I (a) New Works - Buildings.

(6) In column 1 of statement VI only five out of the six markets under the control of the local boards have been entered.

(7) From Column 6 of statement VI-A, it appears that Rs 449-13-4 were drawn as interest on the Government Securities in favour of the Provident fund, but whereas this amount has not been included in the total of the interest on Government Securities given in Column 10 of statement I-A.

(8) In Column 6 of statement IX all the three sessional schools in the district are shown as having had pupils on their rolls on the 31st March 1895, but according to Column 5 none of these schools was in existence on that date.

(9) From Columns 6 and 7 of the same statement, it appears that the numbers of boys and girls in the boards' schools on the 31st March 1895 were 6643 and 720 respectively, whereas according to statement I furnished by the Assistant Inspector of Schools, they were 6643 and 686 respectively.

(10) In Column 19 of the same statement the Cost of furniture, printed forms and cloths supplied to boards' schools should have also been distributed among the schools concerned.

(11) In Column 22 of the same statement ~~FK~~ the average net cost of educating each pupil in the upper secondary

(20) In para 4 of the President's report it is stated that there was only one vacancy on the district board at the close of 1893-94, but according to para 4 of the report for that year and statement XVI submitted with it, there were two vacancies.

(21) In para 11 it is stated that the average incidence of house tax was lowest in the Pattukkottai union, being As 6-10 per house, but according to Column 18 of statement XVII the average assessment per house was lowest, namely As 6-6, in the Vedaranniyam union.

(22) In para 34 it is stated that the pay of the Local Fund Engineer was increased from Rs 625 to Rs 700 instead of from Rs 650 to Rs 700, according to the proposition statement sanctioned in G.O. dated 17th July 1894 No 1301 L.

(23) In para 42, the number of schools aided with result grants in 1894-95 is given as 471 instead of 470, according to the last column of statement X.

(24) In the same para, the rate at which result grants were paid to aided schools has not been given.

(25) In para 43 the total number of boards' and aided schools in 1893-94 is given as 606 instead of 596, according to the report for that year.

(26) From para 51, it would appear that there were only nineteen and five Choultries under the control of the district and the Kumbakonam taluk boards, respectively, but according to statement XI their number was twenty and six Choultries respectively.

(27) In para II (a) of the District Medical officer's report, the number of births registered in the year is given as 50,510, but according to Column 33 of statement XIII it is 51108.

(20) In para 4 of the President's report it is stated that there was only one vacancy on the district board at the close of 1893-94, but according to para 4 of the report for that year and statement XVI submitted with it, there were two vacancies.

(21) In para 11 it is stated that the average incidence of house-tax was lowest in the Pattukkottai union, being As 6-10 per house, but according to Column 18 of statement XVII the average assessment per house was lowest, namely As 6-6, in the Vedaranniyam union.

(22) In para 34 it is stated that the pay of the Local Fund Engineer was increased from Rs 625 to Rs 700 instead of from Rs 650 to Rs 700, according to the proposition statement sanctioned in G.O. dated 17th July 1894 Rs 1301 L.

(23) In para 42, the number of schools aided with result grants in 1894-95 is given as 471 instead of 470, according to the last column of statement X.

(24) In the same para, the rate at which result grants were paid to aided schools has not been given.

(25) In para 43 the total number of boards' and aided schools in 1893-94 is given as 600 instead of 596, according to the report for that year.

(26) From para 51, it would appear that there were only nineteen and five Choultries under the control of the district and the Kumbakonam taluk boards, respectively, but according to statement XI these numbers were twenty and six Choultries respectively.

(27) In para II (a) of the District Medical officer's report, the number of births registered in the year is given as 50,570, but according to Column 33 of statement XIII it is 51108.

(28) In para III (a) of the annexure the number of villages provided with conservancy establishments is given as 44, but according to para 49 of the President's report and Columns 16 and 20 of statement XIV it was 41.

2. The necessary Corrections have been made with reference to Clauses (1), (2), (5), (11), (12), (17), (18), (19), (22), (23) and (25) of the preceding paragraph. The discrepancies noticed in clauses (7), (8), (9), (16), (20), (21) (26) (27) and (28) should be explained and the omissions referred to in Clauses (14), (15) and (24) should be supplied as soon as possible.

Statement showing
the working of
the Secondary
Schools in the
District of
Tanjore for
1894—95.

Local Fund Department.

Tanjore District Board Office.

Camp. Vallam 6th December 1895.

Current No. 430 / D. B. of 95

From G. Stokes ESQUIRE,
PRESIDENT DISTRICT BOARD,
TANJORE.

To THE HONORABLE MR. J. T. Price,
CHIEF SECRETARY TO GOVERNMENT,
LOCAL AND MUNICIPAL DEPARTMENT,
MADRAS.

Sir,

With reference to para 2 of Government official memorandum No 1436 dated 15th October 1895, I have the honor to submit the following explanations on the points noticed.

2 Para 1(7). The interest of Rs 449-13-4 was included in the item "Provident Fund" under debt heads, agreeably to the instruction contained in para 2 of G.O No 2059 Miscellaneous dated 22nd Dec

1893

3. Para 1(6) - The entry in Columns 6 was a mistake.

4. Para 1(7) The difference of 34 noticed between the Assistant Inspector's Statement No. I and Statement No. IX is explained below.

As for Statement No. IX Girls 720

do No. I furnished by the Assistant Inspector } 686

In Assistant Inspector's Statement No. I, the total strength of the Nidamangalam girls' school was erroneously entered as 58 instead of as 50 and the maximum strength of the Samiclam Girls' school viz 42 was omitted in the Assistant Inspector's Statement No. I. deducting therefore 8 from 686 and adding 42, the number agrees with the 720 shown in Statement No. IX.

5. Para 1(14). A Statement showing the working of the Secondary Schools is enclosed.

6. Para 1(15). A Statement showing the Statistics of the two girls' schools in question is enclosed.

7. Para 1(16). The Vilangulam Dispensary is located in a Local Fund (chattram) building and not in a rented one. The statement that it was located in a rented building was a mistake.

8. Para 1(20). The statement in para 4 of the report that there was only one vacancy -

on 31st March 1894 was a mistake.

9. Para 1(21) - The assessment as entered in Statement No. XVII against Vedaranniyam Union is correct.

10. Para 1(24) - With reference to this para, the Assistant Inspector of Schools explains as follows. "Under the provisions of the Grants-in-aid Code in force during 1894-95, the system of paying results grants at certain fixed rates had been abandoned. The whole of the results earnings of the Schools up to the limit of assignments fixed for them have been paid to all Schools."

11. Para 1(26). 5 Chabtrams are entered in Statement No. XI under the Kumbakonam Taluk Board, excluding the unwanted Choultry at Lower Anicut. The Kasangulam Chabtram should not have been given a separate number in Statement No. XI for 1894-95, but should have been included in Mohanambalpuram Chabtram, as in the Statement for 1893-94.

12. Paras 1(27) & 1(28). The figures entered in Statements Nos. XIII and XIV referred to in paras 1(27) & 1(28) respectively are correct. The instructions contained in the remaining paragraphs will be carefully observed in future.

I have the honor to be
Sir
Your most obedient Servt

Superintendent
for President
