To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

FORT ST. GEORGE.

SIR,

Referring to G. O. No. 601
u. no. dated 3rd April last, I
have the honour to report that
I cannot see my way to recommend
the re-tenure after the 31st inst. at
of the Municipal Middle School,
Blore under the management of the
municipality. The only result of
such a step will be that the C.M.S.
School in the place, which has
already suffered by the opening of
the Municipal Middle School will
have to be closed and the munici-
pality will be saddled with the
whole education of the place. The
Church Mission Society is prepared

to spend money and consider that the school fully meets all the wants of the town, but the Secretary informs me that his Society cannot continue to carry on its school if the municipal school is to be kept on. To continue to maintain the municipal school to the prejudice of the aided school in the place seems to me to be against one of the important recommendations of the Education Commission that Government and local boards should, whenever practicable, withdraw themselves from secondary education, leaving it to private agencies and I do not think that the municipality would act wisely in continuing the school. If some of the people of Ellora are not willing to send their children to the mission school, it is open to them to start a school of their own, and the municipality may then consider the question of aiding this school also. But it is not sound policy to start a school to be maintained from public funds so long as a
