READ—the following paper:—

Office-note from the Examiner, Public Works Accounts, dated Madras, 6th February 1896, No. 101 A.

With reference to G.O. No. ¹⁰⁸⁴/_A I., dated 14th December 1895, sanctioning an estimate for a canal from the Madras Harbour to the Buckingham Canal, amounting to Rs. 9,50,000, I would beg to bring to your notice that the estimate, as sanctioned, does not seem to be complete—*vide* paragraphs 2 and 3 of the Government Order, also paragraphs 15 and 18 to 20 of the Chief Engineer's note, printed with the Government Order; and if the total cost of the project, after including the cost, or any portion of the cost, of the "entrance of the canal to the harbour" and of the "bridge for the proposed Beach railway," is likely to exceed Rs. 10,00,000, I would suggest that the estimate be submitted for the sanction of the Government of India under Public Works Code, II, VI, 6.

ORDER—No. 190 I., dated 21st February 1896.

The commencement of work on the canal from the Madras Harbour to the Buckingham Canal, sanctioned in G.O. No. ¹⁰⁸⁴/_A I., dated 14th December 1895, will be deferred and no liabilities incurred till further orders.
