To

The Chief Secretary to Government

Madras.

Sir,

I beg to acknowledge receipt
of G.O. dated 16th January 1896 No 458
Muz. And in reply to enclose a copy
of the resolution of the Council
tendering their hearty thanks to Government
for the kind interest taken with reference
to the water supply scheme of the town.

In connection with my scheme
which is already before the Board,
I beg to say that, I omitted to
mention a reserve tank by the
side of the Korampallam tank
to be set apart solely for Tuticorin.

I therefore, request you to
include the reserve tank in my
scheme and beg that you will be
so good as to obtain early sanction
for the water supply scheme with
a view to perpetuate the meaning

of His Excellency Lord Munlock who
is about to leave our shores.

The water supply has again failed
and the sufferings of the people
are simply intolerable.

I have the honour to be
Sir,

Your Most Obedient Servant
