No 29 Municipal Office Palni

29 February 1896

From the Hon. Secy to Govt. No. 135

G. S. Ponnuswami Vice-Chairman, Municipal Council Palni

Chairman, Municipal Council Palni

The Chief Secretary to Government

Local & Municipal Department

Sir,

With reference to G. O. No 304 of this

Dated 21st February 1896, stating that

Column 4 of the Budget statement, should

show the revised estimate and 5, the

Budget estimate of the previous year, as per

footnote to the form of statement I & II

printed in G. O. No 2193 of dated 10 December

1895. I have the honor to state that that

was the system followed till 1894-95, when

it was noticed in the Memorandum of

Government on the Annual report for 1894-95

No 1140 dated 16th August 1895 para (1), that

the Budget and the revised estimates for

1894-95, should have been given in Columns

4 and 5 respectively and *ad vice versa*

2. This course was adopted in the Budget

statements for 1896-97, which was sub-

mitted after receipt of the said Memo-

randum, and on that, the same remarks

were passed in Memorandum No 1140

dated 1st February 1896.

When the statements are submitted with the report the Budget and revised estimates should be entered in Columns 4 and 5 respectively and *ad vice versa* 2. This course was adopted in the Budget statements for 1896-97, which was submitted after receipt of the said Memorandum, and on that, the same remarks were passed in Memorandum No 1140 dated 1st February 1896.

3. Now it is pointed out in the G. O under reference that the revised and the budget statements estimates should be shown in Columns 4 & 5 respectively. This clashes with the two Memoranda referred to above

4. The footnotes to the forms of statements I & II printed in G. O No 2193-A dated 10. December 1891, refer only to budget statement, even though the forms are the same for the budget as well as the Annual statement.

5. I therefore request that instructions may be issued as to whether the footnote referred to apply to the budget statements alone, and whether in the Annual statement the budget and the revised estimate, are to be entered in Columns 4 and 5 respectively, as stated in the Memorandum of Government No 1140 dated 16. August 1895, referred to in Para 2 supra.
