 Soda water manufacturing situated

The Government does not
consider that the manufacture
of soda water is an offensive
or dangerous trade, under Section
188 of the District Municipalities
Act.

1/1/96
13/12/95

Soda water bottling is a bit dangerous.
Sometimes leads to accidents, especially
where the new process with Carbonic acid gas
is employed. Submitted that it may be
considered dangerous to health & the proposed
license fee approved. I think

13.12.95 I think this rather far fetched
if they be dangerous to health
the Officer has not to the public.
It is not dangerous at all if proper
precautions are taken. 1/1/96
