SURGEON MAJOR-GENERAL C. SIBTHORPE, F.R.C.P.

SURGEON-GENERAL WITH THE

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

Local & Municipal DEPARTMENT.

SIR,

With reference to your Memorandum No. 1284 Local and Municipal dated the 11th September 1895, I have the honour to state that in my inspection notes of the Trichinopoly Hospital in October 1894, I did not recom-
mend the entertainment of a clerk solely for the linen department of the Hospital. All that I wrote was that it appeared to be most desirable that there should be a special clerk for the hospital, and this recommendation was based both on the representation of the District Medical and Sanitary Officers and on what I ascertained by personal inspection.

2. The Hospital is a very large ins-
titution and to work it efficiently an
adequate establishment is necessary.
The medical Subordinates, I found, could
not

not, without seriously interfering with their proper duties, devote time to Clerical work as the Hospital receives about 60 in-patients and from 250 to 300 out-patients on ordinary occasions.

3. The work on which the Special clerk has been engaged since his appointment 1st January 1895 as reported by the District Medical and Sanitary Officer is given in the accompanying statement from which it will be seen that his clerical duties are heavy and in addition to this, he has the charge of bedding and clothing as this work could not be properly looked after by the Medical Subordinates with such a large number of sick as they have to attend to.

4. As regards the financial aspect of the question, the District Medical and Sanitary Officer reports that originally they had a purveyor at the Hospital on Rs 25 per mensem, who has since been replaced by another on Rs 15 per mensem and the saving of Rs 10 thus effected has been utilized in the employment of the new clerk - so that no additional expenditure has been incurred by this step.

5. With reference to the office proper of the District Medical and Sanitary Officer, he reports that to avoid arrears, the two Clerks are fully occupied on all days of the week including Sundays, and that for nine months of this year there were 4575 documents received and 3425 issued.

I have the honor to be,

To

THE HONOURABLE THE CHIEF SECRETARY TO GOVERNMENT,
 Local and Municipal DEPARTMENT.

SIR,

With reference to your memo-
 randum No. 1577, Local and Municipal,
 dated the 2nd November 1895, I have the
 honor to state that the clerk already enter-
 tained in the Municipal Hospital on Rs 15
 is also the second clerk in the office of the
 District Medical and Sanitary Officer, Trichi-
 nopoly, so that no separate clerk exists in
 addition to the two clerks employed under
 the District Medical and Sanitary Officer.
 The present misapprehension that there
 are now three clerks is reported by the Dis-
 trict Medical and Sanitary Officer to be
 due to the misleading proposition state-
 ment submitted by the late Chairman,
 Municipal Council, which requires correc-
 tion.

2. The additional or third clerk
 suggested

suggested by me is required for the duties mentioned in the statement furnished by the District Medical and Sanitary Officer and which formed an accompaniment to my letter No 453 dated the 22nd October 1895 and I trust that under the circumstances now explained, Government will be pleased to sanction his employment.

3. As already stated in para 4 of my letter quoted in the preceding paragraph, this sanction will not involve any extra expenditure as the pay of the new or third Clerk can be met from the saving effected in the salary of the purveyor.
