Sir,

I have the honor to submit for the perusal of Government, a copy of a resolution of the Municipal Council, Trichinopoly sanctioning the pay for a whole time chairman and sanctioning also a charge allowance of Rs 150 a month from the date of my taking charge of the office and beg that the Government will be pleased to accord its sanction for the latter.

2 Funds are forthcoming as the result of a revision made by me of the rents of Municipal Halls which has resulted in an increase of Rs 1000 a month.

house-tax which promises to bring in a like amount.

3. As the Government is aware, this Municipality is the largest but one in the Madras Presidency and its affairs when I took charge were not in such a state as to admit of my having an easy time of it. I have had to work steadily and at very high pressure towards improving the roads, sanitation, water supply, the revenues of the Municipality and suppressing encroachments &c with results not altogether disappointing of which the collector is well aware. This pressure was at its climax on the occasion of His Excellency the Viceroy's visit. I may add that the amount of out-door work was so great that in addition to the means of locomotion I already have as Divisional officer,

I have had to keep an additional horse and frequently also hire carriages

As regard the allowance
of the Divisional Officer for Charge

rules absolutely prohibit it, I can
only say that if they do not I shall
be glad if Government can see it
granting it. If the Charge allowance
be considered as another name for
Carriage allowance, I am aware
that it is not admissible
under the ruling conveyed in G.O.
of 5 March 1887 to 204 M) if that
ruling is still in force, & the sanction
of Government has power
sanction an allowance - I think
it is called a charge or carriage
allowance - I do not recommend the
present case for any favourable
consideration. I am personally
aware that the Divisional Officer
which is doing a tremendous
amount of out door work
in connection with the Municipality,
that he incurred considerable
expenses in connection therewith.
He succeeded by his hard & energetic
work during his present ad-
ministration in effecting considerable
improvements both as regards
finance & sanitation, I think it
is but due to him but he has
not only kept from being out of
pocket by the additional expenses
which have been incurred, but

Current No. 852 M

of 1896, dated

20th Jan '96 from the Revenue DepartmentFOR ORDERS.

By its resolution No. 387 dated 9th December, 1895, the municipal council of Trichinopoly sanctioned the payment with retrospective effect from 21st September, 1895 of a salary of Rs. 250 per mensem, in addition to pensionary contribution for the Chairman and also a charge allowance of Rs. 150 per mensem to the Deputy Collector of the Division for the time he acted as Chairman, in addition to his own duties. In forwarding a copy of this resolution the ex officio chairman requested sanction duly for payment of the charge allowance to him (Vide No. 3887 M.), and the Collector in his endorsement thereon recommended the grant of the allowance and stated in paragraph 3 that the Government would be addressed shortly on the subject of

of the resolution sanctioning Rs 250
plus pensionary contribution as the
pay of the Chairman. This further
communication was awaited until
the receipt of the Collector's O.O. of
the 7th instant, in which he states
that his letter of the 13th January
1896 (CN 135M in the linked file)
requesting sanction for payment
of a carriage allowance of Rs. 75
to the Chairman, P. Singaravelu
Pillai was intended as the further
report promised by him. It is
submitted that this explanation
is not satisfactory, as paragraph
3 of the Collector's endorsement
above referred to clearly led Govern-
ment to expect a further report
from him regarding the pay-
ment of a salary of Rs 250 to the
Chairman in addition to pen-
sionary contribution. As, how-
ever it now appears that no
such report will be sent up,
and that Singaravelu Pillai,
the present Chairman, is very
anxious to revert as Deputy Col-
lector, it is submitted that the
Collector may be asked to nominate
another

all's resolution to pay a salary of Rs 250 and a
carriage allowance of Rs 75 to the Chairman
in addition to pensionary contribution
may be approved, and the.

another efficient person for the
appointment. In CN 852M, the
Revenue Department wishes to
know whether Singaravelu Pillai's
services will be replaced at the
disposal of that Department or
whether the municipality will
apply for the loan of his services.

Govt to say whether Singaravelu

continue in the post or
whether another nomination
is to be made.

We must stay for the present.
I gave a sort of pledge the day

get the new Act into force, we

arrangement can be carried out.
