From

LOCAL President, District Board,
SOUTH CANARA.

To

The Chief Secretary to Government,
CURRENT No. 92

Local Municipal Department,
Madras.

Sir,

I have the honor to request the sanction of Government for the appointment of a temporary overseer on a salary of Rs. 50 per mensem for a period ending 31st March 1896.

2. I enclose a list of works which are now in progress in this District. A glance at this list will convince Government of their importance. The present executive staff of our Engineering Establishment can scarcely give attention to them, all, scattered as they are, various parts of the District.

3. In its review of the Administration Report of this Board for the last official year (G.O. No. 1950 L, dated 19th October 1895) Government has animadverted on the Executive Staff of this District. In view therefore to avoid delay in execution of work in the current year the acting Engineer recommends the appointment of a temporary
hand

hand.

4. As the matter is urgent, I have not waited to obtain the District Board's sanction to the proposal. But I shall obtain it at the next meeting of the Board.

5. A proposition statement in the prescribed form is enclosed and I request the very early orders of Government in the matter.

I have the honor to be,
Sir,
your most obedient servant,

I Said unlu
For President.
