5. *Item No.* 1.—License was granted to only one circus party this year, the fee thereof, together with the collection of the arrears referred to in paragraph 12 of the last administration report, embodied in G.O., No. 1761 M., dated 25th October 1895, account for the increase.

6. *Item No.* 2.—The lands belonging to Karuppatti chattram were leased out in 1894 at the rate of 90 culums of paddy per annum, and the lessee having failed to supply last year's quantity on account of failure of crops, the quantity agreed upon for last as well as this year will be recovered within the current year; hence the increase under this item.

7. *Item No.* 3.—The increase is due to the collection of arrears of the lease amounts for 1894–95.

8. *Item No.* 4.—The grass in the park and a portion of the race course for punjah cultivation were leased out for Rs. 180 for one year from the 16th December current.

9. *Item No.* 5.—Some of the broken and cracked iron pipes belonging to the water-works are being disposed of and it is expected that there will be an increase of Rs. 100 under this item.

10. *Item No.* 7.—The collection of fees from all the slaughter-houses belonging to the municipality was leased out for three years at an annual rental of Rs. 1,510.

11. *Item No.* 8.—The Government in its order, No. 1797 M., dated the 29th October 1895, having sanctioned the entertainment of a drawing master to the municipal schools, a Provincial grant of Rs. 50 is provided for the purpose; hence the increase.

12. *Item No.* 9.—As all possible endeavours are being made to extend the private scavenging system by instituting systematic prosecutions for filthy compounds, an increase of Rs. 400 is put down as the probable receipt within the year.

13. *Item No.* 11.—The increase of Rs. 450 is due to the receipt of hire of the pulsometer lent to the Dindigul Municipality and to others during the current year.

14. *Item No.* 12.—There is a sum of Rs. 2,000 in the shape of advances to contractors and others, ranging from 1887–88 to 1893–94. Efforts are being made to adjust this as much as practicable either by obtaining proper vouchers or by writing off the same with the sanction of the council. This, together with other advances recovered from the Sanitary Engineer to Government and others, account for the increase.

15. *Item Nos.* 6 *and* 10 being slight, call for no remarks.

16. *Item No.* 13.—Owing to want of keen competition in bids at the sales, the income under this item fell; further, the balance, which was expected to be realized from one of the defaulting contractors, was not recovered and necessary measures have been taken to execute the decree against him.

17. *Item No.* 14.—The sweepings, &c., in the town were leased out for Rs. 800 per annum for three years; this, together with the lease amount fetched by the annual cattle fair, amounted to Rs. 970 in the year under report.

18. *Items Nos.* 15 *and* 16.—The decrease under these items is due to want of competition in bids at the sales.

19. *Item No.* 17.—The amount anticipated under this item has greatly fallen.

20. *Item No.* 19.—Rs. 130 is the interest realized from the pro-notes for Rs. 3,700 in favour of the sinking fund for re-payment of loans.

21. The total charges as per revised estimates amount to Rs. 1,87,960 against the budget amount of Rs. 1,76,490, and the difference of Rs. 11,470 is on account of excess expenditure under a few items counterbalanced by short outlay on certain others as shown below:—

The increased expenditure, viz., Rs. 14,200, occurs under the following items:—

| Interest— | |
| (*b*) On account of current year .. .. .. .. .. | 1,420 |
| Total .. | 2,730 |
| Net increase .. | 11,470 |

22. The increased expenditure under grant I, repairs to buildings, is due to the fact that necessary repairs were executed to the hospital building and also to the payment of Rs. 230, being the cost of repairs to the south market in 1894, but paid only during the current year.

23. *Water-supply.*—A sum of Rs. 2,800 is provided under "repairs to works," Rs. 600 being the contribution due by the municipality for inspection by the boiler inspector, as per G.O., No. 1615 M., dated 9th October 1895, and the balance being the cost of improvements to the filter bed as per G.Os., Mis. No. 1314 M., dated 12th October 1895, and No. 2027 M., dated 3rd December 1895; hence the increase.

*Establishment.*—Though the services of one of the assistant drivers at the pumping station were dispensed with about the middle of this year, the following charges have to be met from the savings effected from his salary.

(1) The pay of a temporary fitter for two months and twenty-eight days, amounting to Rs. 70.

(2) A month's salary to the head and assistant drivers, Messrs. Morehead and Antonio, who were removed from service in the interests of the municipality without notice, Rs. 135. Copies of resolution of the municipal council passed on the subject are enclosed, and it is requested that Government will be pleased to sanction the payment of the same.

24. *Results Grants.*—The increase of Rs. 200 was sanctioned in G.O., Mis. No. 1797 M., dated 29th October 1895.

25. *Grant III, Hospitals and Dispensaries—(b) Medicines, &c.*—A sum of Rs. 2,543, being the cost of medicines purchased from Messrs. Burgoyne, Burbidges, & Co. in 1894, having been paid during the year under report on receipt of necessary bills, an increased expenditure appears under this item.

26. 2 (*a*) *Contributions.*—Last year's figures are adopted for this year also, except for cutler's establishment, towards which a contribution of Rs. 21 for 1894–95 was paid this year, as advised by the Accountant-General.

27. 5 (*c*) *Cholera Charges.*—Cholera having broken out about the beginning of the year, extra carts, both for the removal of silt in the drains and of choleraic matter, were employed. A necessary number of toties also were engaged and placed under the direct orders of the hospital assistant specially deputed for the purpose. Fortunately the disease gradually abated and disappeared within three months. To prevent the necessity of putting on single bullock carts, it is proposed to purchase twelve air-tight iron hand carts to be used solely for the removal of choleraic matter, according to the suggestion of the District Medical and Sanitary officer; hence the increase under this item.

28. *Grant V, Bench Clerk.*—The entertainment of an additional clerk and a peon to the Bench Magistrates' Court was sanctioned in G.O., Mis. No. 1066 M., dated 6th July 1895, and the municipal contribution towards the same is expected to be Rs. 100 for the current year.

29. *Repayment of Debt—Investments on account of Sinking Fund for discharge of loan.*—The whole amount due on account of sinking fund will be paid within the end of this year; hence the increase.

30. *Advances.*—A permanent advance to the extent of Rs. 60 has been given as per sanction of the council in addition to the imprest already with the District Medical and Sanitary officer and a sum of Rs. 800 was advanced to contractors and others for minor works, and the latter will be adjusted by the end of this year.

31. *Refunds of other than current collections.*—A sum of Rs. 180 was paid back to one Lakshmi Ammaul, being the excess amount collected on account of offensive trade in connection with a cart-stand owned by her and this, together with the minor items, amount to Rs. 200.

32. *Pensions and Gratuities.*—A sum of Rs. 60 was paid to a bill-collector as per G.O., Mis. No. 1605 M., dated 7th October 1895.

33. *Grant II, Stipends to Normal Students.*—Only five students were sent up to the normal institute to be trained in the lower secondary branch at a monthly stipend of Rs. 6 each; hence the decrease.

34. *Sessional Schools.*—No sessional schools were opened during the year, as there were no students to be trained therein and no expenditure was incurred under this head.

35. *Municipal Schools on Salary-results System—(b) Results Grants.*—The decrease is owing to the payment of Rs. 50 only in the shape of results grants to the teachers of the Muhammadan salary-result school for 1895–96 instead of Rs. 100 as was expected.

36. *Grant III, Medical Service—(3) Vaccination—(a) Establishment and Contingencies.*—The vaccine establishment consisted of a first-class vaccinator on Rs. 15, two vaccinators on Rs. 10 each and a peon on Rs. 6, amounting in all to Rs. 41. The

old vaccinators were replaced by young and efficient men on Rs. 10 each with a peon on Rs. 5 a month to assist them. No fresh instruments were purchased this year and the savings effected under these heads amount to Rs. 170.

37. *Registration Establishment.*—The entertainment of an additional mortuary clerk not having been sanctioned—*vide* G.O., Mis. No. 688 M., dated 23rd April 1895—there were only four mortuary clerks on Rs. 10 each; hence the decrease.

38. *Conservancy—(a) (i) Establishment.*—The additional sweepers and toties sanctioned in G.O., Mis. No. 688 M., dated 23rd April 1895, were entertained about the middle of this year, and consequently the whole of the budget grant was not spent.

39. *Contingencies.*—Only Rs. 1,500 was spent towards sanitary arrangements during the Chittra festival; hence the decrease.

40. *Interest on account of current year.*—As the balance of loan of Rs. 31,500 was sanctioned for payment only about the end of this year, there was no occasion to pay the interest due thereon; hence the decrease.

41. Other items are of a minor nature and as such call for no remarks.

E. C. No. 50-Genl.

*Budget of the Madura Municipality.*

Forwarded through the Collector of Madura.

2. *Paragraph* 12.—The actuals of the first eight months of 1895–96 being only Rs. 442, I think the figure in the revised estimate is an overestimate.

3. *Paragraph* 19.—The Chairman has not assigned any reason for the great fall from the budgeted figure.

4. *Paragraph* 23.—Neither in the report nor in the resolution do appear the reasons which necessitated the removal without notice of the employés referred to.

5. *Paragraph* 27.—Considering the delay that must occur before Government sanction can be obtained, this provision ought to have been made in the budget estimates of the ensuing year instead of in the revised estimates of the current.

6. *Paragraphs* 14 *and* 30.—Advances from 1887–88 are outstanding without adjustment, and yet Rs. 766 were advanced during the first eight months of the current year; it is hoped that the council will adjust all the advance by the close of this year.

7. *Paragraph* 63.—The provision for latrines is very handsome, and I hope the council will utilise the whole allotment; for this purpose it might, be necessary to declare, in the notification under the Land Acquisition Act, that the lands are urgently required and must be immediately taken possession of. As Government has, on several occasions, insisted on proper latrine accommodation being provided for the people, there is no fear of this item being disapproved of, and the Chairman may, in anticipation of sanction, send to the Collector the necessary sketches so that draft notifications may be submitted as soon as possible. I am not aware of the size and plans of latrines to be put up; each is estimated to cost Rs. 1,000. What is wanted is not big latrines at a few central places but a number of latrines with half a dozen to a dozen buckets fitted up dotted all over the town. It is essential they should be kept scrupulously clean and the contents emptied several times a day, for, otherwise, people may take a prejudice against using them. I hope the existing staff (men and carts) can cope with this; if not, some provision therefor seems to be called for.

8. The condition of the slaughter-house was prominently brought to notice in the recent inspection of the Deputy Sanitary Commissioner, his notes of inspection with the remarks of the council were not forwarded through me.

9. *Paragraph* 78.—Rs. 600 seems to be an underestimate.

10. *Budget for* 1896–97—*Receipts* 6 (*a*) (*i*).—I do not know the practical difficulties that exist in Madura for the extension of the private scavenging system, but at first sight an estimate of but Rs. 1,000 seems to be very poor.

11. *Charges—Grant I, New Works—Communications.*—Rs. 1,000 are provided for roads and Rs. 1,000 for tunnels; it is not stated what new roads are contemplated to be constructed.

MADURA,
20*th January* 1896.

(Signed) J. TWIGG,
*Collector.*

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 15th January 1896, No. 291.

I have the honour to submit the following remarks on the educational portion of the budget estimate of the Madura Municipality for 1896–97.

2. Particulars have not been furnished as to how the grant (Rs. 240) for municipal schools has been arrived at, nor have details been given for the expenditure (Rs. 370) shown against "other items" under "7. Miscellaneous." The estimate may, however, be accepted.

3. No provision has been made for building and furniture grants, as the council expects that there will be no expenditure under these heads. I would strongly recommend that the current year's provision (Rs. 300) be repeated.

4. The net expenditure under Grant II will be Rs. 9,260 (9,720—460) or only 7 per cent. of the estimated receipts from taxation, rents and markets.

---

From J. A. JONES, Esq., MEM. INST. C.E., F.R.S.E., Sanitary Engineer to Government, to the Chief Secretary to Government, dated Fort St. George, 20th January 1896, No. 175.

With reference to the budget estimate of the Madura Municipal Council for 1896–97, of which an extract has been sent to this office, I have the honour to state that the allotments made for (2) (*d*) Water-supply call for no remarks. As regards the proposal of the council to extend the pipes and to erect additional fountains I have already expressed my opinion in my No. 2288, dated 14th August 1895.

5. *Item No.* 1.—License was granted to only one circus party this year, the fee thereof, together with the collection of the arrears referred to in paragraph 12 of the last administration report, embodied in G.O., No. 1761 M., dated 25th October 1895, account for the increase.

6. *Item No.* 2.—The lands belonging to Karuppatti chattram were leased out in 1894 at the rate of 90 culums of paddy per annum, and the lessee having failed to supply last year's quantity on account of failure of crops, the quantity agreed upon for last as well as this year will be recovered within the current year; hence the increase under this item.

7. *Item No.* 3.—The increase is due to the collection of arrears of the lease amounts for 1894–95.

8. *Item No.* 4.—The grass in the park and a portion of the race course for punjah cultivation were leased out for Rs. 180 for one year from the 16th December current.

9. *Item No.* 5.—Some of the broken and cracked iron pipes belonging to the water-works are being disposed of and it is expected that there will be an increase of Rs. 100 under this item.

10. *Item No.* 7.—The collection of fees from all the slaughter-houses belonging to the municipality was leased out for three years at an annual rental of Rs. 1,510.

11. *Item No.* 8.—The Government in its order, No. 1797 M., dated the 29th October 1895, having sanctioned the entertainment of a drawing master to the municipal schools, a Provincial grant of Rs. 50 is provided for the purpose; hence the increase.

12. *Item No.* 9.—As all possible endeavours are being made to extend the private scavenging system by instituting systematic prosecutions for filthy compounds, an increase of Rs. 400 is put down as the probable receipts within the year.

13. *Item No.* 11.—The increase of Rs. 450 is due to the receipt of hire of the pulsometer lent to the Dindigul Municipality and to others during the current year.

14. *Item No.* 12.—There is a sum of Rs. 2,000 in the shape of advances to contractors and others, ranging from 1887–88 to 1893–94. Efforts are being made to adjust this as much as practicable either by obtaining proper vouchers or by writing off the same with the sanction of the council. This, together with other advances recovered from the Sanitary Engineer to Government and others, account for the increase.

15. *Item Nos.* 6 *and* 10 being slight, call for no remarks.

16. *Item No.* 13.—Owing to want of keen competition in bids at the sales, the income under this item fell; further, the balance, which was expected to be realized from one of the defaulting contractors, was not recovered and necessary measures have been taken to execute the decree against him.

17. *Item No.* 14.—The sweepings, &c., in the town were leased out for Rs. 800 per annum for three years; this, together with the lease amount fetched by the annual cattle fair, amounted to Rs. 970 in the year under report.

18. *Items Nos.* 15 *and* 16.—The decrease under these items is due to want of competition in bids at the sales.

19. *Item No.* 17.—The amount anticipated under this item has greatly fallen.

20. *Item No.* 19.—Rs. 130 is the interest realized from the pro-notes for Rs. 3,700 in favour of the sinking fund for re-payment of loans.

21. The total charges as per revised estimates amount to Rs. 1,87,960 against the budget amount of Rs. 1,76,490, and the difference of Rs. 11,470 is on account of excess expenditure under a few items counterbalanced by short outlay on certain others as shown below:—

The increased expenditure, viz., Rs. 14,200, occurs under the following items:—

| | Rs. |
|---|---|
| Grant I, (2) Repairs— | |
| (*b*) Buildings | 1,000 |
| (*d*) Water-supply— | |
| (i) Repairs to works, machinery, &c. | 600 |
| (iii) Contingencies | 2,200 |

| Pensions and gratuities | 60 |
| Total | 14,200 |
| Deduct short expenditure— | |
| Grant II, Education— | |
| 1. Training schools— | |
| (*b*) Stipends to Normal students | 100 |
| (*c*) Sessional schools | 120 |
| 2. Municipal schools— | |
| (ii) On Salary-results system— | |
| (*c*) Results grants | 50 |
| Grant III, Sanitation and Medical Services— | |
| 3. Vaccination— | |
| (*a*) Establishment | 70 |
| (*b*) Contingencies | 120 |
| 4. Registration, &c.— | |
| (*a*) Establishment | 120 |
| 5. Conservancy, &c— | |
| (*a*) (i) Establishment | 200 |
| (*d*) Contingencies | 500 |
| Grant IV— | |
| 9. Other charges— | |

| Interest— | |
| (*b*) On account of current year | 1,420 |
| Total | 2,730 |
| Net increase | 11,470 |

22. The increased expenditure under grant I, repairs to buildings, is due to the fact that necessary repairs were executed to the hospital building and also to the payment of Rs. 230, being the cost of repairs to the south market in 1894, but paid only during the current year.

23. *Water-supply.*—A sum of Rs. 2,800 is provided under "repairs to works," Rs. 600 being the contribution due by the municipality for inspection by the boiler inspector, as per G.O., No. 1615 M., dated 9th October 1895, and the balance being the cost of improvements to the filter bed as per G.Os., Mis. No. 1314 M., dated 12th October 1895, and No. 2027 M., dated 3rd December 1895; hence the increase.

*Establishment.*—Though the services of one of the assistant drivers at the pumping station were dispensed with about the middle of this year, the following charges have to be met from the savings effected from his salary.
